STUDY PLANS FOR NEW HOME; FILM RECORDS

The Adams County commissioners Wednesday began their new year's duties with further study of plans for the new Adams County Home, which may "possibly be underway during the year," and took up further consideration of plans to microfilm the county's records, a final decision on which is expected today. In connection with a study of the budget for the current year, the commissioners made a brief resume of the activities.

The new county home will face the Biglerville Rd., between the jail and the Cumberland Twp. No. 1 election house. It will "sit back some distance from the road with landscaping between it and the road, according to present plans.

Appreciate Interest

The commission expressed their appreciation to all those who show an interest in a new county home. They expressed a "deep gratitude" to the County Home Advisory Board, which included A. W. Butterfield, Mrs. John S. Rice, Mrs. Louella Baumgardner, Lloyd Garretson, Attorney J. Francis Yake Jr., Dr. C. G. Crist, Lee M. Hartman, Attorney Donald G. Oyler and George Steinberger, "for devoting much time to study of what we should do in connection with the county home."

The commissioners decided to apply for Hill-Burton funds, federal grants, in connection with the infirmary portion of the new-home. The amount will be based upon the cost of the structure.

Sale Was A Success

Considering the institution district budget, the commissioners found that they had secured "much more than anticipated" in the sale of the farm equipment at the home, and said results of an advertising campaign asking persons who may be interested in purchasing county home land to notify them of their intention indicate that when the land is put up for sale "it should bring a very good price."

The commissioners reduced the millage last year by a half mill because of increased assessments and said the tax results during the year indicated that the saving

SAYS ATTITUDE CUTS PROGRESS OF AGRICULTURE

"One reason why agriculture is 30 years behind in relation to business tactics is the attitude of those persons involved," Fred Robertson, extension agriculture economist, pointed out Wednesday evening in his talk at the 45th annual meeting of the Adams County Agriculture Extension Association in the York Springs Elementary School auditorium. "Agriculture can cope with the situation if an attitude can be developed that the job can be done and there is a future in agriculture," Robertson continued.

"Forty per cent of the Commonwealth's people are involved in agriculture and the same percentage of income is received. Since agriculture presents a great mass of people and income, it has a moral obligation to assume and provide leadership even though some outside interests would like to control it. If it doesn't give leadership, eventually it will lose its free enterprise status. Agriculture is the only free competitive enterprise still remaining."

Urged To Be Alert

Robertson suggested that Adams County farmers should be more alert to productive areas around them, not just in their own territory.

County Agent Frank S. Zettle used an illustrated talk to prove the vastness of the extension program and to disprove some thought that "the service is just an office in Gettysburg with only a few people working from it."

He said "the local extension program reaches just about everyone in the county and over 100 leaders in 4-H clubs and adult homemaking groups are working together for the betterment of agriculture and family living. Included in this team are the executive committee, county commissioners, Pennsylvania State University, newspapers, radio and television.

NIGHT CLASSES BEGIN MONDAY

Registration for the evening extension courses for adults at Gettysburg High School will be held this evening from 7 to 9 o'clock at the Recreation Office, Room 31, Gettysburg High School.

The courses offered in the annual night school for adults will begin Monday evening at the high school. Recreation Director Chester Hilger said that only those courses in which 12 or more have registered will be held.

Instruction is free to residents of Gettysburg, Cumberland, Freedom and Straban Townships, but a \$3 registration fee is required which is returned at the end of the class sessions to those students who attend three-quarters of their classes. Residents of other school districts must pay an \$8.50 tuition fee which is not returnable.

Hilger said that it is planned to offer courses in typing, use of the slide rule, science, shorthand, Russian history, English composition, woodworking, leather craft, and sewing, if sufficient students are obtained for each of the courses.

BOY SCOUTERS REACHED MOST GOALS IN '58

The Black Walnut Boy Scout District "set an all time record for membership, activities and advancement" during the last year "but we are not near the peak that can be obtained," Stanley C. Rogers, Scout field executive, told the district committee at a meeting Wednesday evening at Banker's Restaurant.

"The district achieved or exceeded 11 of its 13 goals and came very close in the others," Rogers said. "As of December 31, the district had 813 boys enrolled in Scouting. The district had the largest gain in Scout membership of any district in the York-Adams area, even though it did not meet the goal of 864 boys.

"We had sought to have 32 units by the end of the year. We had 33. We had sought 14 units that achieved national recognition and we had 17. We hoped to have two-deep leadership in 28 units and that was accomplished. We had hoped to have top leadership trained in 24 units and trained junior leaders in 16 units. We have top leaders trained in 27 units and junior leaders trained in 18. We sought 14 commissioners and secured 19, of whom 10 are trained. We sought to have 25 units take part in outdoor activities and that goal was met. We set what we thought was a high goal for advancements, 500. The boys chalked up 508. We sought to secure eight units in which more than 40 per cent of the boys were First Class Scouts or better, and we wound up with 11. There

Fairfield Firemen Hold Installation

Recently-elected officers of the Fairfield Fire Company were installed at a regular meeting of the company Wednesday evening with George Inskip in charge of the induction ceremony. At the same session the firemen voted to purchase two "walkie-talkies" and a monitor system "to strengthen Fairfield community's tieup with the county Civil Defense program.

The new officers include: President, Paul Myers; first vice president, Doyle Rebert; second vice president, Raymond Myers; secretary, Ira McLaughlin; financial secretary, Clarence Wilson; treasurer, Glenn Shriver; fire chief, Roger Myers; first assistant, Harper Hiner; second assistant, Kenneth Sites; director from Hamiltonburg Twp., Calvin Riley; and directors from Fairfield, Harry Sease and Olmer Spence.

It was announced that the dates for the annual carnival and homecoming will be June 30 through July 4. Calvin Riley and Walter Warren have been named co-chairmen of the committee on arrangements for the annual event.

Newspaper Strike Proves Advertising Is Important

NEW YORK (AP) — The yuletide strike shutdown of nine New York City newspapers has given advertisers a "new awareness that newspapers are vital to them," a trade group reports on the basis of a survey.

The Newspaper Information Committee, composed of a representative group of Canadian newspaper producers, conducted a canvass on the effects of the newspaper black-out here.

A strike by the Newspaper and Mail Deliveries Union (Ind) led to a newspaper shutdown for 19 days, which ran three days past Christmas.

TWO OFFICERS ADDRESS ROTC

The need for specialization in the modern Army because of technical advances was emphasized to the junior class of the Army ROTC at Gettysburg College this week by two officers from the Army War College at Carlisle.

Lt. Col. James L. Draper spoke on "The Importance of Intelligence in the Modern Army" and Lt. Col. J. Elmore Swenson spoke on "The Future of Army Aviation." Both are former ROTC students.

Col. Swenson, one of the first of the Army flyers of World War II, said that, despite cutbacks in the Army, Army aviation is expanding rapidly because of the great need for mobility in today's warfare. He said that the Army today has more planes than the Navy.

Col. Draper was in command of a battalion in Merrill's Marauders under Gen. Joe Stilwell in Burma. He and Col. Swenson concurred that technical advances make it impossible for one person to be expert in all fields.

Services Friday For Clyde Chapman

Funeral services for Clyde Albert Chapman, 63, Orttanna native who died Tuesday morning in the Orange Memorial Hospital in Orlando, Fla., after a cancer operation and a long illness, will be held Monday at Lockport, N. Y., where Mr. Chapman lived for 31 years.

He was a son of the late William P. and Harriet (Cullison) Chapman and had lived the last three years at Orlando. His first wife, the former Ida Hones, died 15 years ago.

Surviving are his widow, the former Helen Bitterman; nine children; James, Donald, Mildred, Ruth, Kathleen and Betty, all of Lockport; Elvin, Edwin and Warren, all of Orlando. There are 23 grandchildren and two Mrs. Evelyn Small, Gettysburg; and three brothers, Roy and Curtis, Orttanna R. D., and Dorsey, Gettysburg.

Mr. Chapman was a member of the Mt. Carmel EUB Church.

L. R. Hershey Held On Check Charge

Lawrence R. Hershey, 30, York Springs R. 1, was held in Cumberland County jail Wednesday following his arrest by Mt. Holly Springs police on a charge of passing worthless checks.

The charge was filed by Police Chief Frank Stoerzinger before Justice of the Peace Luther Peterson, Mt. Holly Springs. Stoerzinger said Hershey passed 11 checks totaling \$124 at Mt. Holly Springs stores. They were drawn on the Bendersville National Bank, where Hershey had a checking account, but not sufficient funds to cover them.

GOD'S POWER SERMON TOPIC AT 4TH SERVICE

"What we need today is really to know God and His power," Dr. William C. Waltemyer, head of the Department of Bible at Gettysburg College, said in a sermon Wednesday evening at the union Week of Prayer service in Trinity United Church of Christ.

The service was the fourth in the series that opened on Sunday and will close Friday evening. This evening's preacher will be the Rev. Edwin P. Elliott, pastor of the Lower Marsh Creek Presbyterian Church. The Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church, will conduct the service.

Conducting Wednesday's service was the Rev. William Fenstermaker, local Methodist pastor. The scripture was read by Charles Coffman and the special music was a solo by George Myers of Gettysburg College. Coffman read the first 15 verses of the fourth chapter of I Corinthians. Dr. Waltemyer took his text from Ephesians 3:15: "That you be strengthened with power."

"Fits Us Today"

He listed reverence, humility, earnestness and faith as elements of Paul's prayer for the Ephesians which he had quoted in his text. Reverence, he said, is a primary lesson in the school of religion. "The prayer of Paul was based on the riches of God, relatively untouched and altogether inexhaustible. Paul's prayer might well be a prayer for us in Gettysburg today," he continued.

"This power for which Paul prayed in behalf of the Ephesians is unique. It is not like a bomb, nor akin to physical power. It is not like the power of personalities like a Nero or Pharaoh but it is akin to inner strength exemplified by a Joseph or a Queen Esther. It is like the courage that made so many martyrs, the kind of power that comes through the spirit.

"Available And Adequate"

"This power is greatly needed, is available and adequate for today. We have in the Christian Church today many intellectual men, many philanthropists and men of executive ability but the men who are great in the Kingdom are distinguished for their spiritual power, like Kagawa, Speer or Switzer.

"If we knew God's power, we would find it desirable and possible to do the things that ought to be done. Many are afraid but I would remind you of God's promise given in the ninth verse of the first chapter of Joshua.

"Perhaps great tasks lie ahead in this new year. Don't dwell on their size but on whether they are worthy and will they bless or curse mankind? Is God calling or are you being motivated by pride or the hope of gain? The power of the gospel and God Himself is so great it can make weak and erring men moral and spiritual giants. That power is offered to you and to me."

WILSON BUYS FUNERAL HOME

S. L. Allison, Fairfield funeral director for the last 36 years and a former prothonotary of Adams County, has sold his undertaking business to his son-in-law, Clarence E. Wilson, Fairfield, who has been associated with him in the business for the last 20 years.

With funeral homes in Fairfield and Emmitsburg, the business will operate under the name of the Wilson Funeral Homes.

Mr. Allison operated the business in Fairfield since 1922 and before that had worked for Wilson.

Death Comes On Mercy Mission

CHICAGO (AP) — Each morning for the last five years an elderly woman, carrying a bag of bread crumbs, headed for Gompers Park.

She would get a chirpy greeting at the park from birds and squirrels. Then she'd spread the crumbs, watch them eat and return to her home, the Bohemian Home for Children and the Aged.

Wednesday, Mary Cadilek, 84, a widow, left the home as usual at 6 a.m. As she crossed the street, she was struck and killed by a hit and run driver. A bag of bread crumbs was at her side.

B. D. GILBERT INJURED WHEN AUTO UPSETS

(See Picture On Page 4)

Benton D. Gilbert, 301 Buford Ave., Battlefield guide who will be 80 years old January 29, suffered lacerations of the scalp and a sprained left ankle when his car upset Wednesday afternoon at 2:15 o'clock on the Keckler's Hill Rd. between the Mummaburg and Biglerville Roads.

Gilbert, according to state police, was driving toward the Biglerville Rd. and was about a half mile from the Mummaburg Rd., when his 1954 Chevrolet sedan failed to negotiate a left curve, ran off the road and rolled over onto its top.

Thomas S. Ziegler, Steinwehr Ave., and William Hutchison, driving a truck, planned to turn in to a private driveway some distance from the scene but noticed a light flicking ahead and decided to investigate.

As they came on the scene they found the Gilbert car with a tail light blinking. They found Gilbert inside the car, with his ankles pinned under the top of the door of the upside down car.

\$800 Auto Damage

The two men were able to free Gilbert's right ankle but were unable to free the left ankle. They explained that the top of the car, which was resting on its roof, was bent down, thus putting the top of the door against the roadway, pinning Gilbert's ankles under the top of the upside down door. Ziegler and Hutchison summoned the Gettysburg Fire Department ambulance, which in turn called by radio for the rescue truck and more men in order to lift the car and door sufficiently to free Gilbert's ankle.

Damage to the sedan was estimated at \$800. The vehicle was righted and Gilbert was removed to the Warner Hospital in the ambulance.

Gilbert was alone in the vehicle at the time of the crash.

Two Properties Are Transferred

The following deeds were filed in the office of the register and recorder Wednesday.

Shirley Dessen, Gettysburg, sold to Doris Hobe Lock, Harrisburg, and Gertrude Radbill, Chambersburg, a property on Baltimore St. for \$1. The market value is \$21,666.66.

George Robert and Dorothy M. Deatrick, Butler Twp., sold to Robert E. and Louise A. Baker, Biglerville, a property in Butler Twp. for \$15,250.

BREAKS ARM IN FALL

Frederick N. Shafer, 10, son of Mr. and Mrs. William Shafer, R. 3, was treated Wednesday at the Warner Hospital for a fracture of his left forearm and abrasions to the left side of the forehead received in a fall down steps.

ADAMS SALARY BOARD RAISES PAY FOR MANY

The Adams County Salary Board, meeting Wednesday in the office of the county superintendent at the court house, set pay increases for a number of county employees.

On recommendation of Judge W. C. Sheely for his department, the board increased the annual salary of Miss Mary Ann George, librarian for the county law library and secretary to Judge Sheely by ten per cent to \$2,805; the salary of Mrs. S. Richard Eisenhart, secretary in the probation office, was increased by ten per cent to \$2,574 per year; the salary of Probation Officer D. M. Anderson was raised by \$250 to \$4,500.

On recommendation of Superintendent of Schools C. P. Keefer, the salary of Mrs. Thalia Clapper, secretary to the superintendent, was increased by ten per cent to \$2,574.

Other Increases

On recommendation of Dist. Atty. Daniel E. Teeter, the salary of the district attorney's secretary, Miss Elizabeth Sheffer, was raised by ten per cent to \$2,574.

On recommendation of Sheriff Dawson Miller, the salary of all employees at the jail were raised by \$100; the matron, Mrs. Dawson Miller, to \$2,500; Deputy Sheriff James Warren to \$3,300; Night Turnkey William Knox to \$1,360 and Day Turnkey Fred Swisher to \$2,080.

The salary of the county solicitor, Atty. Charles W. Wolf, was increased by \$300 to \$1,500 per year; the salary of Institution District Solicitor Donald G. Oyler was raised by \$200 to \$1,100. The salaries of Dr. C. G. Crist, county jail physician, and Dr. Ira Henderson, county home physician, were each raised from \$700 per year to \$800. The salary of the secretary of the Child Welfare Services, Miss Mary Catherine Frazer, was increased by ten per cent to \$2,574.

Court House Jobs Too

With increases noted in other departments, the commissioners raised a number of salaries in their own department. Commissioners' Clerk Ray J. Snyder was advanced by \$120 a year to \$4,000; Secretary Aurelia Spence, was increased by ten per cent to \$2,574, and Secretary Nancy Elledge was increased by five per cent to \$2,200. The salary of Chief Tax Assessor D. Walker Woods was increased from \$3,780 to \$4,100; the salary of Mrs. Levona Pitzer, secretary to the tax assessor, by ten per cent to \$2,574 and the salary of Janitor Dorsey J. Schultz from \$2,540 to \$2,700.

The salary board set up a schedule of wages for secretarial help starting at \$1,980 a year with an increase to \$2,100 per year after six months' service. At the beginning of the second year the salary advanced to \$2,220, six months later to \$2,340 and at the third year to \$2,574. The schedule also calls for one week's vacation after the first full year's service and two weeks each year thereafter.

Members of the Salary board are the commissioners; E. Donald Scott, J. Blaine Busbey and George E. Kane, and County Treasurer Clark E. Spence. The salaries of the county officials — sheriff, treasurer, commissioners, judge, district attorney, etc., are set by the state legislature.

STRABAN BD. REORGANIZED

Richard E. Miller was elected chairman of the board of supervisors of Straban Twp. at a reorganization meeting Wednesday. Emory E. Sibiak was named foreman and Arthur Weaner was appointed secretary-treasurer. Ellis H. Rentzel is the other member of the board.

Atty. J. Francis Yake Jr. was re-appointed solicitor, the Gettysburg National Bank designated as the depository and Donald P. Rhodes, tax collector.

The 1959 tax rates remain unchanged at six mills and \$1 per capita. The next scheduled meetings of the board were set for January 16 and 30 at the residence of the secretary.

The board of auditors at their reorganization meeting retained the same officers: John K. Lott, chairman, Walter E. Coshum, secretary, Richard E. Kammerer is the other member.

BUILDING PERMIT

A building permit was issued Wednesday by Burgess Wilbur L. Plank to the Annie Warner Hospital to erect a concrete and block addition, 49 by 173 feet, and a boiler room addition, 42 feet by 48 feet, at an estimated cost of \$426,000.

15 Executed, 1,100 Jailed In Overthrow Of Batista

HAVANA, Cuba (AP)—Speedy "war crimes" trials for followers of fallen Dictator Fulgencio Batista have begun in Cuba. Fifteen military officers already have been executed.

Provisional President Manuel Urrutia said thousands of persons will be tried by revolutionary courts in "the same manner as war criminals were tried in Germany." They will be charged with crimes against the Cuban people.

Some of the accused still are being sought, Urrutia told a news conference Wednesday night. At least 1,100 persons have been reported arrested since Batista fled to the Dominican Republic a week ago and victorious rebel leader Fidel Castro proclaimed Urrutia as provisional president.

Gunfire In Havana

Gunfire flared briefly in Havana again Wednesday night. Machine-guns and other automatic weapons fired for about 15 minutes near the American-operated National

Hotel as rebel militia reportedly pursued several carloads of men who had been shooting at random in the streets.

The militia still is trying to eliminate diehard Batista supporters, including members of a private army called the Tigers which belonged to former Sen. Rolando Masferrer.

ATTY. NIKIRK INDICTED FOR TAX EVASION

BALTIMORE (AP) — Edwin F. Nikirk, newly elected state's attorney for Frederick County, was indicted by a federal grand jury Tuesday on a charge of income tax evasion.

In Frederick, Nikirk said the federal government already had accepted from him more than enough to pay the tax deficiency plus interest and penalties.

The three-count indictment charged that the prosecutor filed false joint returns for the years 1952-54, when he was in private law practice, stating his total net income at \$20,844 when it actually was \$56,143.

Nikirk declared his income taxes for the three years to be \$3,532, the indictment charged, when they should have been \$13,956. Bail was set at \$1,000.

Sworn In Monday

Nikirk, 42, was sworn in on Monday for a four-year term as state's attorney. He was elected in the November general election, succeeding Samuel W. Barrick, who was elected to the State Senate from Frederick County.

In a statement, Nikirk said: "Naturally, I am startled to say the least. However, after being under investigation for a period extending into four years it is a relief that the matter is finally in court where the issues can be properly resolved.

"In all fairness, I feel I must state that the government has already accepted from me monies more than sufficient to pay the tax deficiencies stated in the indictment plus interest and civil penalties. These payments have been made for the past two years."

Third Term

The term just begun is Nikirk's third as state's attorney for Frederick County. He held the post from 1943 to 1950, interrupted by Army service in 1943-46.

Married and the father of two sons, Nikirk is a former chairman of Frederick County's Democratic Central Committee. He began practicing law in 1938, the year he was graduated from the University of Baltimore Law School.

Asst. U. S. Atty. John G. Underwood, who presented the case to the grand jury, said the federal government did not plan to attempt to remove Nikirk from his job or take any similar action.

"As I see it," he said, "he is innocent until proven guilty. I think he's entitled to continue. Whether he'll want to continue is another story. I think it would be a county matter. It would be up to the circuit judge up there as to how he feels about it."

College Swimmers Defeat Swarthmore

Gene Hummel's Gettysburg College swimmers evened their season record at 1-1 by edging Swarthmore 47-39 Wednesday evening at Swarthmore. The Bullets clinched the verdict with a victory in the last event.

Delaware's mermen will come here for a meet Saturday afternoon at 2 o'clock.

ANSWER ALARM

Gettysburg firemen responded to a call of burning ivy at Dr. and Mrs. Roy W. Gifford, Oak Ridge, at 10:30 a.m. Wednesday. The blaze had burned out before firemen arrived and no damage was reported. Mrs. Gifford said she was burning pine in the fireplace a short time before she discovered the ivy on the side of the house afire.

PHILADELPHIA (AP) —

Concerned by an exodus of teachers to higher-paying suburban schools, the Board of Education has disclosed plans to improve its finances.

Mrs. Albert M. Greenfield, chairman of the special committee on school finance, said Tuesday the state Legislature will be asked to increase the city's tax rate if it fails to provide enough state aid.

WASHINGTON (AP) —

The Army plans to close its disciplinary barracks at New Cumberland, Pa., by March 2 because preventive measures have resulted in a "decline in prisoners."

Those prisoners still at the barracks when it is closed, the Army said Tuesday, will be transferred to Ft. Leavenworth, Kan., or to Lemore, Calif.

to the taxpayers was "justified" by the returns.

Checking the assessment equalization fund to determine amounts needed by that program, the commissioners came to the conclusion that the decision of Adams County to carry out the work itself had led to both satisfaction on the part of most property owners and a vast saving for the county. Basing the cost of the program by having it done as part of the county's regular work compared to the cost of a bid submitted by an outside company, \$132,000 was saved. Results of the appeals indicated general satisfaction with the continuing reassessment program. Only 12 appeals were received in 1958 compared to 72 in 1957.

Build Three Bridges

Three new bridges were built during 1958 and the commissioners Wednesday were considering the possibility of replacing another old span this year. Seven other bridges were repaired and the entire work was paid out of the regular liquid fund. From that fund the commissioners also provided \$46,493 aid to all of the boroughs and townships of the county.

The report to the commissioners from the election board clerk showed 1,691 persons registered during regular and special registration periods.

VA Director Reports

The report showed seven election houses were repaired and new booths placed in five election houses.

Veterans Administrator Roy A. Alexander reported that the county provided \$1,950 for burials of 24 veterans and \$72 toward six markers for graves. Alexander listed 1,100 office calls and 900 telephone calls.

The report from the Child Welfare office showed 106 children currently on the rolls, 46 of them in the home of parents, seven in the homes of relatives, 35 in foster homes and 18 in institutions or elsewhere. Twenty-two homes are approved as foster homes. The workers make about 50 visits to children per month and take the children to physicians, dentists, shopping for clothes, etc.

The commissioners expressed appreciation to the Child Welfare Advisory Board comprising C. C. Culp, Attorney Edward B. Bullett, Mrs. A. W. Butterfield, Mrs. Edward Zinn, Mrs. William Lott, Mrs. Jean Whisler, Mrs. George Everhart, Rev. W. W. Wood, Mrs. S. A. Burton, Dr. Vernard Groysse, Luther Ritter, Dr. Lloyd C. Keefer and Leslie V. Stock for its work which includes an annual appeal for funds by which the "extras," such as camp, music lessons, graduation gifts, etc., are provided for the children under county care.

Steward Reports

The report of the county home steward showed 38 women and 26 men guests at the county home as of January 1. During the year 15 women and 13 men were admitted; five women and five men were discharged and nine women and ten men died at the home during the year. In connection with the county home, the commissioners expressed their appreciation to the County Home Auxiliary for "its splendid work of providing gifts, visitations trips and special comforts for the guests at the home."

The commissioners decided to continue the new method of handling election returns inaugurated at the last election. They received reports showing the amount of work completed during the year in renovation of the basement and vaults at the court house.

Five new assessors were appointed during the last year. The compilation also disclosed that "as much work as it was possible to do was turned over to county persons rather than calling in outside engineers, etc."

SENTENCE COP WHO ELOPED WITH GIRL, 16

Raymond W. Bishop, 30, former Mercersburg policeman, drew a six to 12-month jail sentence Wednesday after pleading guilty in Franklin County court to a charge of contributing to the delinquency of a minor.

Judge Chauncey M. Deputy also directed Bishop to pay a \$200 fine and the costs of prosecution.

The object of a widespread search after he disappeared in mid-November in the company of a 16-year-old Mercersburg school girl, Bishop surrendered to Franklin County Detective Russell W. Frutcher late in December. His young companion of nearly six weeks was later located at the home of a relative in Pittsburgh and is now in custody in Chambersburg awaiting juvenile court action.

During most of their absence, Bishop told investigators, he and the young girl resided as husband and wife near Jacksonville, Fla., where Bishop was employed in construction work.

Father Of Six

Represented Wednesday morning by former District Attorney Rudolf M. Werime, Bishop through his counsel told the court that he finally decided to return home and "face the music" because of growing concern for his family of six children. Bishop's wife is expected to give birth to their seventh child in the near future.

The court was told that it was a combination of circumstances which led Bishop to flee with the young girl — principally centered around unpleasant working conditions and domestic difficulties, "real or imaginary."

Noting that Bishop's formal education ended in the fourth grade, Judge Deputy in imposing the jail sentence recommended that he utilize his time in confinement in study in an effort to improve himself.

area marketing agent.

"One problem confronting our service is the field of pest control. We recommend 52 different kinds of insecticides that are marketed under 5,000 trade names and in addition the same number of fungicides and weed killers. The extension service is asked frequently as to the effectiveness and safeness of these chemicals," he added.

Zettie summarized the fertilizer test program results during the year and emphasized the importance of soil testing for a sound fertilization program.

More than 120 demonstrations were made in 1958, according to Zettie's report, and cover 36,000 circular letters comprising the latest information to farmers were mailed. He said the local office has resorted to increased mail circulation because time to attend meeting has decreased with the years.

Mrs. Tunison Reports

Mrs. Helen D. Tunison, associate home economist here, reported homemakers groups have increased from 14 to 19 since 1954. She said with so many members working in the daytime, it has been necessary to change some of the group meetings to the evening.

Assistant Extension Director Harold McCollough told of the relationship with extension work and Pennsylvania State University. "Extension is the heart of Penn State," he said. "With the anticipation of doubling the enrollment in the next ten or fifteen years, the support from all the students who wish to attend. Since the university is a land grant institution of Pennsylvania, it has an obligation for providing complete facilities to the state."

Others Report

Miss Audrey Yingling, president of the Barlow 4-H Club, talked on her achievements in 4-H. She said her club is mainly interested in making clothes. She told of making clothes for her family and relatives and "how the 4-H program has helped my personal development spiritually, physically, mentally and socially."

She was awarded second place at the district dress revue, and was wearing the dress she made for the contest.

A Littlestown R. 1 dairy farmer, Mervin Myers, related how dairy herd improvement assisted him with breeding, feeding, culling, and selecting sires for his herd. In remodeling his barn to extension recommendation, he found it satisfactory. Mentioning soil testing, which is a year-round feature of the local office, he said "it has been a great value in establishing my rotation crop system."

For the business part of the meeting, Paul Pitzer was the new director elected for a three-year term, while those directors were re-elected: Earl Brandon, Robert Lott, Ralph Tyson, Mrs. B. E. Benner and Mrs. Emory Gitt.

The nominating committee was headed by Myles Starnes.

Various bylaws were voted upon to do was turned over to county persons rather than calling in outside engineers, etc."

Littlestown HARRISBURG PASTOR GIVES 4TH SERMON

"The Church Is Sharing" was the theme of the sermon delivered by the Rev. Dr. Viggo Swensen, guest missionary, at the community preaching mission service Wednesday evening in St. Paul's Lutheran Church. The Rev. Dr. Swensen, who is pastor of Zion Lutheran Church, Harrisburg, said, "As Christians we are to witness to our faith; and Christian who has not experienced winning someone to Christ, has missed a great joy in life."

The Rev. William C. Karns, pastor of St. John's Lutheran Church, president for the order of worship. An anthem, "Praise Him," was sung by St. John's Senior Choir, under the direction of LaRue O. Epler. Mrs. Winfield A. Lippy, organist at the host church, presided at the console throughout the service.

The mission service this evening at 7:30 o'clock in St. Paul's Church, will be in charge of the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ. Redeemer's Senior Choir will offer special music. Dr. Swensen will speak on the subject "The Church Is Helping." Members of the Littlestown Lions Club will attend the service in a body.

Talks To Students
The preaching mission will conclude on Friday night, when the Rev. William R. Jones, pastor of Centenary Methodist Church, will

News From Nearby Counties

YORK COUNTY

Paul C. Barnhart, former York alderman, was sent to jail for four months and fined \$800 after being adjudged guilty in York County court by Judge George W. Atkins of 11 charges of extortion, one charge of conspiracy to arrest and indict falsely and one charge involving 30 counts of malfeasance, misfeasance and nonfeasance in office.

Barnhart's deputy constable, Gordon E. Ward, received a 30-day jail sentence and was fined \$100 after being found guilty of a charge of conspiracy.

Officials at New Cumberland Disciplinary Barracks said they will start hunting jobs for 50 civilian employees who will be out of work when the barracks close March 1. More than 350 soldiers based at the barracks will probably be reassigned.

Congressman James M. Quigley, 19th district, said he was told by Army Secretary James M. Brucker the penal barracks will be closed because the Army's prison load has decreased and maintenance costs there are the highest of three Army prisons.

The barracks were built in 1941 as a reception center for men entering the Army for World War II and became a disciplinary barracks in 1945.

D. SPANGLER TO HEAD FIREMEN

David Spangler was elected president of the Barlow Fire Co. at a meeting in the fire hall Tuesday evening. He succeeds Harry Maring.

are now 145 boys who are First Class or better. We had hoped for 150. We set 600 as a goal of Boy's Life subscriptions and secured 704. We had hoped for four new units during the year and secured five. It was an excellent year for Scouting in the district.

Set 1959 Goals
Goals set for 1959 are: National recognition, 17 units; 2-deep leadership, 30 units; trained junior leadership, 29; trained junior leadership, 18; trained commissioners, 12; outdoor activities 25; rank advancements, 500; first class or over 150; units with over 40 per cent first class or better, five; Boy's Life subscriptions, 675; new units, four; membership, 900; total units, 37.

The goals for first class and over and advancements were not raised because this year the Explorer program drops all advancements except one — Eagle Scout.

The annual report showed 348 boys in ten Cub Packs, 310 boys in 12 Boy Scout troops and 155 boys in 11 Explorer posts.

16, September 17, December 17; Explorers, February 19, May 21, October 15; Cub Scouts, May 19, June 18, November 19.

The annual Camporee will be held May 22, 23, and 24 at Fairfield. Camping and Activities Chairman Crosby N. Hartzell announced. The annual district dinner will be November 11; the Christmas party, December 14; the Catholic Retreat, June 12, 13 and 14; the Explorer Spring Rendezvous, May 9; Explorer Snowball, December 20; District picnic, June 28, and the University of Scouting, February 17-24 and May 3, 10 and 17. Boards of review will be held the same nights as the district meetings.

Plan Finance Drive

Hartzell also announced plans for the annual window contest to be held during Boy Scout Week, February 7 to 13.

Attorney Daniel E. Teeter, financial chairman for the district, reported plans for the annual finance campaign to be held outside Gettysburg during Boy Scout week. A total of \$5,500 will

be sought with about \$2,800 sought through a special gifts campaign for which Dr. W. E. Tilberg will be chairman, and the remainder in a door-to-door canvass.

Plan "Kick-off"
Harold Ecker is making arrangements for the canvass of the various communities, Attorney Teeter said. A "kick-off dinner" is to be held February 6 in connection with the campaign.

Melvin Worley reported activities for the York Springs Scout units and said a scoutmaster is being sought for the troop there. Ray Shupe reported on the Hunt-Reupe units.

District Chairman Charles E. Ritter reported on sponsorship of Scout units nationally and said there are 93 types of sponsoring units in the nation. Parent-Teacher Associations are the number one sponsors, the Methodist church is next and the Roman Catholic Church third. He also reported a vast increase in interest in religious awards offered by Scouts by various churches.

ATTY. NIKIRK INDICTED FOR TAX EVASION

BALTIMORE (AP) — Edwin F. Nikirk, newly elected state's attorney for Frederick County, was indicted by a federal grand jury Tuesday on a charge of income tax evasion.

In Frederick, Nikirk said the federal government already had accepted from him more than enough to pay the tax deficiency plus interest and penalties.

The three-count indictment charged that the prosecutor filed false joint returns for the years 1952-54, when he was in private law practice, stating his total net income at \$20,844 when it actually was \$56,143.

Nikirk declared his income taxes for the three years to be \$3,532, the indictment charged, when they should have been \$13,956. Bail was set at \$1,000.

Sworn In Monday

Nikirk, 42, was sworn in on Monday for a four-year term as state's attorney. He was elected in the November general election, succeeding Samuel W. Barrick, who was elected to the State Senate from Frederick County.

In a statement, Nikirk said: "Naturally, I am startled to say the least. However, after being under investigation for a period extending into four years it is a relief that the matter is finally in court where the issues can be properly resolved."

"In all fairness, I feel I must state that the government has already accepted from me monies more than sufficient to pay the tax deficiencies stated in the indictment plus interest and civil penalties. These payments have been made for the past two years."

Third Term

The term just begun is Nikirk's third as state's attorney for Frederick County. He held the post from 1943 to 1950, interrupted by Army service in 1943-46.

Married and the father of two sons, Nikirk is a former chairman of Frederick County's Democratic Central Committee. He began practicing law in 1938, the year he was graduated from the University of Baltimore Law School.

Asst. U. S. Atty. John G. Underwood, who presented the case to the grand jury, said the federal government did not plan to attempt to remove Nikirk from his job or take any similar action.

"As I see it," he said, "he is innocent until proven guilty. I think he's entitled to continue. Whether he'll want to continue is another story. I think it would be a county matter. It would be up to the circuit judge up there as to how he feels about it."

College Swimmers Defeat Swarthmore

Gene Hummel's Gettysburg College swimmers evened their season record at 1-1 by edging Swarthmore 47-39 Wednesday evening at Swarthmore. The Bulls clinched the verdict with a victory in the last event.

Delaware's mermen will come here for a meet Saturday afternoon at 2 o'clock.

ANSWER ALARM

Gettysburg firemen responded to a call of burning ivy at Dr. and Mrs. Roy W. Gifford, Oak Ridge, at 10:30 a.m. Wednesday. The blaze had burned out before firemen arrived and no damage was reported. Mrs. Gifford said she was burning pine in the fireplace a short time before she discovered the ivy on the side of the house afire.

PAYS FINE AND COSTS

Allan Ross Nipple paid a \$10 fine and costs Tuesday afternoon at a hearing before Justice of the Peace Robert P. Snyder on a disorderly conduct charge filed Monday by borough police.

BIKE IS STOLEN

Rev. Fr. Anthony Kane reported to police Tuesday that a bicycle owned by James O'yer, Springs Ave., was stolen from the Catholic school yard Monday.

FIND KEYS, CHAIN

Four keys on a chain were found on Lincoln Square near the First National Bank and were turned over to borough police. The owner may claim them at the borough office.

PHILADELPHIA (AP) — Concerned by an exodus of teachers to higher-paying suburban schools, the Board of Education has disclosed plans to improve its finances.

Mrs. Albert M. Greenfield, chairman of the special committee on school finance, said Tuesday the state Legislature will be asked to increase the city's tax rate if it fails to provide enough state aid.

WASHINGTON (AP) — The Army plans to close its disciplinary barracks at New Cumberland, Pa., by March 2 because preventive measures have resulted in a "decline in prisoners."

Those prisoners still at the barracks when it is closed, the Army said Tuesday, will be transferred to Ft. Leavenworth, Kan., or to Leavenworth, Calif.

to the taxpayers was "justified" by the returns.

Checking the assessment equalization fund to determine amounts needed by that program, the commissioners came to the conclusion that the decision of Adams County to carry out the work itself had led to both satisfaction on the part of most property owners and a vast saving for the county. Basing the cost of the program by having it done as part of the county's regular work compared to the cost of a bid submitted by an outside company, \$132,000 was saved. Results of the appeals indicated general satisfaction with the continuing reassessment program. Only 12 appeals were received in 1958 compared to 72 in 1957.

Build Three Bridges

Three new bridges were built during 1958 and the commissioners Wednesday were considering the possibility of replacing another old span this year. Seven other bridges were repaired and the entire work was paid out of the regular liquid fuel fund. From that fund the commissioners also provided \$46,493 aid to all of the boroughs and townships of the county.

The report to the commissioners from the election board clerk showed 1,691 persons registered during regular and special registration periods.

VA Director Reports

The report showed seven election houses were repaired and new booths placed in five election houses.

Veterans Administrator Roy A. Alexander reported that the county provided \$1,950 for burials of 24 veterans and \$72 toward six markers for graves. Alexander listed 1,100 office calls and 900 telephone calls.

The report from the Child Welfare office showed 106 children currently on the rolls, 46 of them in the home of parents, seven in the homes of relatives, 35 in foster homes and 18 in institutions or elsewhere. Twenty-two homes are approved as foster homes. The workers make about 50 visits to children per month and take the children to physicians, dentists, shopping for clothes, etc.

The commissioners expressed appreciation to the Child Welfare Advisory Board comprising C. C. Culp, Attorney Edward B. Bullett, Mrs. A. W. Butterfield, Mrs. Edward Zimm, Mrs. William Lott, Mrs. Jean Whisler, Mrs. George Everhart, Rev. W. W. Wood, Mrs. S. A. Burton, Dr. Bernard Groysse, Luther Ritter, Dr. Lloyd C. Keefer and Leslie V. Stock for its work which includes an annual appeal for funds by which the "extras," such as camp, music lessons, graduation gifts, etc., are provided for the children under county care.

Steward Reports

The report of the county home steward showed 38 women and 26 men guests at the county home as of January 1. During the year 15 women and 13 men were admitted; five women and five men were discharged and nine women and ten men died at the home during the year. In connection with the county home, the commissioners expressed their appreciation to the County Home Auxiliary for "its splendid work of providing gifts, visitations trips and special comforts for the guests at the home."

The commissioners decided to continue the new method of handling election returns inaugurated at the last election. They received reports showing the amount of work completed during the year in renovation of the basement and vaults at the court house.

Five new assessors were appointed during the last year. The compilation also disclosed that "as much work as it was possible to do was turned over to county persons rather than calling in outside engineers, etc."

SENTENCE COP WHO ELOPED WITH GIRL, 16

Raymond W. Bishop, 30, former Mercersburg policeman, drew a six to 12-month jail sentence Wednesday after pleading guilty in Franklin County court to a charge of contributing to the delinquency of a minor.

Judge Chauncey M. Deputy also directed Bishop to pay a \$200 fine and the costs of prosecution.

The object of a widespread search after he disappeared in mid-November in the company of a 16-year-old Mercersburg school girl, Bishop surrendered to Franklin County Detective Russell W. Frutcher late in December. His young companion of nearly six weeks was later located at the home of a relative in Pittsburgh and is now in custody in Chambersburg awaiting juvenile court action.

During most of their absence, Bishop told investigators, he and the young girl resided as husband and wife near Jacksonville, Fla., where Bishop was employed in construction work.

Father Of Six

Represented Wednesday morning by former District Attorney Rudolf M. Werime, Bishop through his counsel told the court that he finally decided to return home and "face the music" because of growing concern for his family of six children. Bishop's wife is expected to give birth to their seventh child in the near future.

The court was told that it was a combination of circumstances which led Bishop to flee with the young girl — principally centered around unpleasant working conditions and domestic difficulties, "real or imaginary."

Noting that Bishop's formal education ended in the Fourth grade, Judge Deputy in imposing the jail sentence recommended that he utilize his time in confinement in study in an effort to improve himself.

area marketing agent.

"One problem confronting our service is the field of pest control. We recommend 52 different kinds of insecticides that are marketed under 5,000 trade names and in addition the same number of fungicides and weed killers. The extension service is asked frequently as to the effectiveness and safety of these chemicals," he added.

Zettie summarized the fertilizer test program results during the year and emphasized the importance of soil testing for a sound fertilization program.

More than 120 demonstrations were made in 1958, according to Zettie's report, and cover 36,000 circular letters comprising the latest information to farmers were mailed. He said the local office has resorted to increased mail circulation because time to attend meeting has decreased with the years.

Mrs. Helen D. Tunison, associate home economist here, reported homemakers groups have increased from 14 to 19 since 1954. She said with so many members working in the daytime, it has been necessary to change some of the group meetings to the evening.

Assistant Extension Director Harold McCollough told of the relationship with extension work and Pennsylvania State University. "Extension is the heart of Penn State," he said. "With the anticipation of doubling the enrollment in the next ten or fifteen years, the support from all will be needed, if the university expects to educate all the students who wish to attend. Since the university is a land grant institution of Pennsylvania, it has an obligation for providing complete facilities to the state."

Miss Audrey Yingling, president of the Barlow 4-H Club, talked on her achievements in 4-H. She said her club is mainly interested in making clothes. She told of making clothes for her family and relatives and "how the 4-H program has helped my personal development spiritually, physically, mentally and socially."

She was awarded second place at the district dress revue, and was wearing the dress she made for the contest.

A Littlestown R. 2 dairy farmer, Mervin Myers, related how dairy herd improvement assisted him with breeding, feeding, culling, and selecting sires for his herd. In remodeling his barn to extension recommendation, he found it satisfactory. Mentioning soil testing, which is a year-round feature of the local office, he said "it has been a great value in establishing my rotation crop system."

For the business part of the meeting, Paul Pitzer was the new director elected for a three-year term, while these directors were re-elected: Earl Brandon, Robert Lott, Ralph Tyson, Mrs. B. E. Benner and Mrs. Emory Gitt. The nominating committee was headed by Myles Starnier.

Various bylaws were voted upon to do was turned over to county persons rather than calling in outside engineers, etc."

HORSE RACE BILL IN

HARRISBURG (AP)—One of the first bills introduced in the 1959 Legislature Wednesday called for a statewide referendum on legalizing horse race betting at tracks in Pennsylvania.

The measure, sponsored by Rep. H. J. Maxwell (D—Westmoreland), would earmark state revenue from pari-mutuel betting for educational purposes. Gov.-elect Lawrence has indicated he would sign such a measure should it reached its desk.

MOTHER SAVES FOUR

McKEESPORT, Pa. (AP) — A 26-year-old mother took her four small children to safety Wednesday after fire broke out in a first-floor bedroom of the family's home in nearby Elizabeth Twp. Mrs. Marilyn J. Flier said she discovered the bed of her 6-year-old son, Billy, was afire when she awoke about 4:30 a. m. and made a check to see if the children were covered.

UNDERGOES SURGERY

PHILADELPHIA (AP)—Joseph A. McDonough, president of the Pennsylvania Federation of Labor, rested comfortably today in Einstein Medical Center after surgery for a disk condition.

The hospital said McDonough had been troubled by the condition for some time. Increasing aggravation prompted Tuesday's surgery. He probably will remain in the hospital for two weeks, it was stated.

TAIPEI, Formosa (AP) — The heavy Communist bombardment of the Quemoy Islands Wednesday killed three civilians and wounded four, the Chinese Nationalist Defense Ministry reported.

The ministry said the Reds fired 33,401 shells from the mainland, most of them during a four-hour period, and said the Communists were deliberately trying to hit civilians.

to bring their rules up to date. Joseph Stoner was chairman of this committee.

The invocation was given by Stoner. President Howard Waybright welcomed the group and members of the senior extension group, garbed in their square dancing outfits, served refreshments.

Littlestown HARRISBURG PASTOR GIVES 4TH SERMON

"The Church Is Sharing" was the theme of the sermon delivered by the Rev. Dr. Viggo Swensen, guest missionary, at the community preaching mission service Wednesday evening in St. Paul's Lutheran Church. The Rev. Dr. Swensen, who is pastor of Zion Lutheran Church, Harrisburg, said, "As Christians we are to witness to our faith; and Christian who has not experienced winning someone to Christ, has missed a great joy in life."

The Rev. William C. Karns, pastor of St. John's Lutheran Church, president for the order of worship. An anthem, "Praise Him," was sung by St. John's Senior Choir, under the direction of LaRue O. Epler. Mrs. Winfield A. Lippy, organist at the host church, presided at the console throughout the service.

The mission service this evening at 7:30 o'clock in St. Paul's Church, will be in charge of the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ. Redeemer's Senior Choir will offer special music. Dr. Swensen will speak on the subject "The Church Is Helping." Members of the Littlestown Lions Club will attend the service in a body.

Talks To Students
The preaching mission will conclude on Friday night, when the Rev. William R. Jones, pastor of Centenary Methodist Church, will

News From Nearby Counties

YORK COUNTY

Paul C. Barnhart, former York alderman, was sent to jail for four months and fined \$800 after being adjudged guilty in York County court by Judge George W. Atkins of 11 charges of extortion, one charge of conspiracy to arrest and indict falsely and one charge involving 30 counts of malfeasance, misfeasance and nonfeasance in office.

Barnhart's deputy constable, Gordon E. Ward, received a 30-day jail sentence and was fined \$100 after being found guilty of a charge of conspiracy.

Officials at New Cumberland Disciplinary Barracks said they will start hunting jobs for 50 civilian employees who will be out of work when the barracks close March 1. More than 350 soldiers based at the barracks will probably be reassigned.

Congressman James M. Quigley, 19th district, said he was told by Army Secretary James M. Brucker the penal barracks will be closed because the Army's prison load has decreased and maintenance costs there are the highest of three Army prisons.

The barracks were built in 1941 as a reception center for men entering the Army for World War II and became a disciplinary barracks in 1945.

D. SPANGLER TO HEAD FIREMEN

David Spangler was elected president of the Barlow Fire Co. at a meeting in the fire hall Tuesday evening. He succeeds Harry Maring.

John Maring was elected vice president; John Schwartz, secretary; George Lambert, treasurer; Bernard V. Miller Sr., fire chief; Hayward McClell, first assistant fire chief; Clarence Eyer, second assistant fire chief; Clarence Maring, trustee; John Plank, chaplain; Lester Spangler, assistant chaplain.

The annual carnival will be held August 14 and 15. February 18 was announced as the date for the annual "Family Night" held for the firemen and their families.

The refreshment committee for family night includes: Russell Durbarow, John Maring, J. B. Witherow, Clarence Eyer, Clarence Maring, Grover Yingling. The entertainment committee comprises Bernard V. Miller, William Sentz, Willis Wherley and Hayward McClell.

The auditors are David Reaver, Harry Maring and Walter Schwartz.

Authorization was given the trustees to purchase a new "french fryer" for the kitchen at the fire hall.

BOY SCOUTERS

(Continued From Page 1)

are now 145 boys who are First Class or better. We had hoped for 150. We set 600 as a goal of Boy's Life subscriptions and secured 704. We had hoped for four new units during the year and secured five. It was an excellent year for Scouting in the district.

Set 1959 Goals

Goals set for 1959 are: National recognition, 17 units; 2-deep leadership, 30 units; trained top leadership, 29; trained junior leadership, 18; trained commissioners, 12; outdoor activities 25; rank advancements, 500; first class or over 150; units with over 40 per cent first class or better, five; Boy's Life subscriptions, 675; new units, four; membership, 900; total units, 37.

The goals for first class and over and advancements were not raised because this year the Explorer program drops all advancements except one — Eagle Scout.

The annual report showed 348 boys in ten Cub Packs, 310 boys in 12 Boy Scout troops and 155 boys in 11 Explorer posts.

Set Activity Dates

Dates for district committee meetings were set as February 4, March 4, April 1, May 6, June 3, September 2, October 7, November 4 and December 2.

Roundtable dates were set as Boy Scouts, January 15, April

16, September 17, December 17; Explorers, February 19, May 21, October 15; Cub Scouts, May 19, June 18, November 19.

The annual Camporee will be held May 22, 23, and 24 at Fairfield, Camping and Activities Chairman Crosby N. Hartzell announced. The annual district dinner will be November 11; the Christmas party, December 14; the Catholic Retreat, June 12, 13 and 14; the Explorer Spring Rendezvous, May 9; Explorer Snowball, December 20; District picnic, June 28, and the University of Scouting, February 17-24 and May 3, 10 and 17. Boards of review will be held the same nights as the district meetings.

Plan Finance Drive

Hartzell also announced plans for the annual window contest to be held during Boy Scout Week, February 7 to 13.

Attorney Daniel E. Teeter, financial chairman for the district, reported plans for the annual finance campaign to be held outside Gettysburg during Boy Scout week. A total of \$3,500 will

be sought with about \$2,800 sought through a special gifts campaign for which Dr. W. E. Tilberg will be chairman, and the remainder in a door-to-door canvass.

Plan "Kick-off"

Harold Ecker is making arrangements for the canvass of the various communities, Attorney Teeter said. A "kick-off dinner" is to be held February 6 in connection with the campaign.

Melvin Worley reported activities for the York Springs Scout units and said a scoutmaster is being sought for the troop there. Ray Shupe reported on the Hunterstown units.

District Chairman Charles E. Ritter reported on sponsorship of Scout units nationally and said there are 93 types of sponsoring units in the nation. Parent-Teacher Associations are the number one sponsors, the Methodist church is next and the Roman Catholic Church third. He also reported a vast increase in interest in religious awards offered Scouts by various churches.

Health Officer For County
Quarantined 657 Cases In '38:

The epidemic of measles that swept over Adams county as well as most other sections of the state early last year sent the total number of cases of measles quarantined in Adams county in 1938 to a new high of 657. County Health Officer Harry Bucher, Biglerville, reported today. The total number of contagious diseases quarantined in rural Adams county last year was 657, Mr. Bucher's report shows.

Figures announced by the county health officer cover only rural sections of the county. Each of the 11 boroughs of the county has its own health officer.

H. E. Gettler Heads Doctors:
Dr. H. E. Gettler, Littlestown, was elected president of the Adams County Medical Society to succeed Dr. Ira Henderson, Fairfield, at the annual organizational meeting of the society Wednesday.

The vice president is Dr. A. W. Kelley, East Berlin. Dr. Bruce N. Wolff, Gettysburg, was re-elected secretary-treasurer and Dr. Edgar A. Miller, Gettysburg was named censor.

St. James Lutheran Church To Mark 150th Anniversary: The one hundred and fiftieth anniversary of the founding of St. James Lutheran church will be observed this year, the Rev. Spencer W. Aungst, pastor, announced today. The earliest records show that St. James church was organized in 1789, the same year George Washington was inaugurated as first President of the United States.

Details of the church's early history are contained in a history compiled by the Rev. J. B. Baker of York.

New Buildings Here Last Year Cost \$176,000: A major increase in building in Gettysburg last year over 1937 was revealed today in the report of Burgess C. A. Heiges which shows that the borough's chief executive issued 76 building permits covering construction work estimated at a cost of \$176,000.

Exact figures on the 1937 building costs were not available, but were said to have been below \$100,000.

The largest single construction job last year in Gettysburg was the erection of the \$45,000 state armory. Construction at the veterans' anniversary camp was entered at \$12,000 on the borough's books. The Eagle hotel improvements also formed a considerable part of the total.

Car Deaths Cut In Half In 1938: Accidents, Loss Also Under 1937:

Highway fatalities in the area covered by the Gettysburg substation of the Pennsylvania motor police, which is largely confined to Adams county, were cut last year to one-half the total of 1937 and 40 fewer persons were injured in traffic accidents which were themselves reduced by about one-fourth and the property loss was reduced by more than \$10,000.

In 1937 twenty persons died in traffic accidents in this area. Last year there were 10 deaths and six of the victims were either standing or walking along the highways when they received their fatal injuries.

In 1937 there were 273 crashes and 248 persons injured. Last year 206 accidents were investigated in which 206 persons were injured. In 1937 automobiles and other property damaged was estimated at \$43,110. Last year the damage bill was \$33,000.

First Baby Of '39 Born At Hospital Sunday At 6 A.M.: Adams county's first reported New Year baby was born to Mr. and Mrs. Roy A. Bream, Biglerville, R. D., at the Warner Hospital at 6 o'clock Sunday morning. The child has been named Roy A. Bream Jr.

Today's Talk

YESTERDAYS IN TODAY

Days and years do not merely drop and disappear. All time is correlated. We are forever picking up threads of the gone-by and weaving them into the permanent fabric of our lives.

Every day we touch something that belonged to yesterday. In a way, we are all children of tradition. We are, in a greater or less degree, carrying about with us the scattered personalities of thousands of others—many unknown to us.

And how very fortunate is that man or woman who is able to still lead the boy or girl of his or her early years about with one. We understand people so much easier who are never quite severed from the voices of the past. Of what good would the yesterdays be if we couldn't use them, love them, and build from them, in our today's?

Every time a father touches the hand of his boy and looks into his eyes, he sees something of himself there—and the more he can see, the nearer is that father to his boy.

We become that much more useful as we are able to sum up, classify, and honestly arrange the events and experiences of every one of our yesterdays.

Watch any skilled workman and it will not take long for you to learn how much of the vanished years he has crowded into his art.

The tragedy of life is the slipping away of years that men and women have not sufficiently touched, grasped, or made permanently a part of their thought and existence.

We should never forget that today will soon be yesterday, so that if it means something very vital and meaningful today, tomorrow we shall want to carry much of it along with us.

Tomorrow Mr. Adams will talk on the subject: "Cross-Roads"

Just Folks

COURAGE
Discouraged, eh? The world looks dark
And all your hopes have gone astray?

Your finest shots have missed the mark;
You're heartsick and discouraged, eh?

Plans that you built from, all went wrong?
You cannot seem to find the way

And it seems vain to plod along?
You're heartsick and discouraged, eh?

Take heart! Each morning starts anew!
Return unto the battle line.
Against far greater odds than you
Brave men have fought with courage fine.

Despite the buffetings of fate,
They've risen, time and time again,
To stand face front and shoulders straight
As leaders of their fellow men.

And you, now blinded by despair,
Heartsick and weary of the fight,
On every hand beset by care,
Can, if you will, attain the light.

FIND INFANT'S BODY BURIED IN PAPER BOX

State police and Franklin County authorities are inquiring into the cause of death of a newborn infant whose body was unearthed along the Old Forge Road near South Mountain Tuesday.

State and Waynesboro police stood by as the body was raised from the frozen earth. It was wrapped in a little blanket in a pasteboard carton coffin.

Charges of concealing the birth of an illegitimate child may be filed against the alleged mother, Miss Hilda Brennehan, 26, of Pen Mar, Md., who told police, "I had no money to bury him."

Ran Down Tip

Sgt. Perry Mann, in command at Chambersburg, credited Waynesboro police with helping run down the tip of the birth. Mann said Miss Brennehan has three other children.

Authorities ordered an autopsy to determine if the buried infant was alive at the time of birth and, if so, the cause of death.

Sgt. Mann said the baby was born November 16 at the home of Mr. and Mrs. Lawrence Guyer, South Mountain.

Mrs. Guyer and Miss Brennehan are sisters. Neither the Guyers nor Miss Brennehan reported the birth or death of the infant.

Asked Court Order

State police were tipped off through an 11-year-old child who told area adults of the grave. The investigation opened several days ago and climaxed Tuesday when District Attorney George C. Eppinger asked the court for permission to exhume the body.

The court order of Judge Chauncey M. Depuy specified that disinterment be performed at the cost of the county. The body is to be reburied at a cemetery.

Mann said Miss Brennehan is a housekeeper at the Pen Mar home of another sister. She cares for youngsters of the family while the mother works. Two of her own children are in the care of the county.

Mann said the Guyers and the Brennehan woman "cooperated freely" in the State Police investigation. Mrs. Guyer took officers to the site of the grave without hesitation.

Charges against the mother depend upon the results of the autopsy, Mann said. No decision has been made on possible charges against the Guyers.

Albie Pearson, a pint-sized ball-player with a rifle arm, two swift feet and a sharp batting eye, had his to say about winning the 1958 American League rookie-of-the-year award:

"It's a mighty big thrill. There were some times during the season that I was a bit disappointed about my hitting. But everything worked out fine. I still think there's room for improvement. A 300 season next year would suit me fine."

Pearson, a .275 batter in '58, received 14 of 24 votes in balloting conducted by the Baseball Writers Assn. of America. Ryne Duren, New York Yankees' relief ace, collected seven and Cleveland righthander Gary Bell polled the other three. The results of the vote

SOUTHERN CAL ON PROBATION FOR TWO YEARS

In a ruling requested by Mississippi Southern College, the council said that Fuell would be eligible to compete in athletics at the Hattiesburg, Miss., school if he transferred from Auburn where

he is now a third-semester student. This, in effect, gave Fuell a clean bill of health at any NCAA - member school except those in the Southeastern Conference.

Within a few hours after the ruling, it was announced at Hattiesburg that Fuell had entered Mississippi Southern. He already had been accepted for the winter term which began Tuesday.

Expected Restoration
It had been expected that Southern Cal, already serving a two-year probation, would be restored to good graces. The previous two-year probation had been due to expire Nov. 13, 1958, and the official announcement that it had done so was expected by the NCAA.

Rose and Jon Henricks, is not eligible to challenge Michigan for the NCAA swimming championship because the NCAA Executive Council Wednesday night placed Southern Cal on two years' probation for violation of the NCAA athletic code.

But in an earlier action on the first day of the 53rd annual convention, the NCAA gave new athletic life to football player Don Fuell, key figure in the Auburn recruiting scandal which culminated in NCAA probation for Auburn and Southern Conference disciplinary action which barred Fuell, an end, from participation in SEC athletics.

WORKING FOR NEW STADIUM

PHILADELPHIA (AP)—Mayor Richardson Dilworth puts the problem this way: The city's businessmen stand to lose four to five million dollars revenue a year if Philadelphia loses its professional sports teams.

And then he told a news conference Wednesday that he would meet with a group of prominent citizens Friday to spur his campaign for a new sports stadium.

He said the Philadelphia Phillies have turned down a "fabulous" offer to move their baseball franchise to Minneapolis because owner Bob Carpenter wants to stay in this area.

"But," he said, "it is very likely Carpenter would be seriously interested in a proposition from New Jersey." And the mayor predicted that the exodus of the Phillies would lead to the exodus of the Eagles of the National Football League, the Warriors of the National Basketball Assn. and the Ramblers of the Eastern Hockey League.

The big problem is antiquated, hard-to-get-to Connie Mack Stadium, which has very poor parking facilities. The lure in New stadium on a big chunk of land across the Delaware River. It would be just outside Camden and would adjoin Garden State Park.

TUCSON, Ariz. (AP) — Van Cliburn and his Tucson dentist have confirmed that dental work has interrupted the Texas pianist's concert tour. The dentist, who declined use of his name, said the treatment was necessary and Cliburn "should be left alone to have it done."

Navy Sinks Bullet Quint 59-42; Frosh Bow 85-75; J. Hopkins Here Tonight

A poor first half wrecked the Gettysburg College cagers (2-7) in their bid for an upset over Navy (6-3) at Annapolis Wednesday afternoon, the Bullets bowing 59-42.

Navy opened with an early lead but the Bullets closed the gap 12-11 midway through the half as they scored but one point in the next nine minutes, the Midshipmen piling up a 30-12 advantage during the stretch and holding a 34-17 lead at the half.

During the first half the Bullets made but seven of 24 tries from the field and in the second half only nine for 36 for an overall 27 per cent mark on 16 for 60. Navy landed 24 for 69.

The Bullets moved the ball well in the second half and began closing the gap. The closest they got was 43-36 with 9:19 minutes remaining but again the Bullets' poor shooting took its toll as the Midshipmen pulled away again.

Lead In Rebounding
Gettysburg played its best board game of the season and out-rebounded its opponents 47-43 with Frank Grzelecki and Del Warfel each snaring 17. Warfel topped the Bullets scorers with 14. Dick Brown was high for Navy with 19.

While the Bullet varsity was losing the college freshmen were having their troubles in another gymnasium, losing to the unbeaten Plebes (5-0) by an 85-75 score.

The Plebes, with superior height, were forced to overcome a 36-34 deficit at half time. The frosh were in contention until the final minutes when they tailed off in shooting. With only 1:36 left, Gettysburg was behind only 76-73. Bob Parker, who had 21 points, fouled out to erase the yearlings' hopes in the late minutes. Ron Warner was high man for the game with 26 tallies, 10 on fouls.

Tonight Johns Hopkins will meet the Bullet varsity here while the freshmen, now 3-3, clash with St. Francis Prep in the preliminary at 6:45.

WILDCATS OF VILLANOVA NIP MUHLENBERG

By DON WEISS
Associated Press Sports Writer

Villanova's Wildcats, scraping away with blunted claws the last couple of basketball seasons, seem to have honed up a dandy this time around with a coach's dream parlay of height and speed.

The Wildcats, one of four unbeaten left in the nation's major school ranks after Wednesday night's 99-85 whipping of Muhlenberg, have rolled over eight straight opponents with a versatile starting lineup that scales down by stages from 6-8 to 5-9. The schedule hasn't been overpowering although Villanova's victims include the likes of Penn, Duke, Temple and Siena. It's more the ease with which they've whipped through it, averaging a 21-point winning margin.

Boston U. downed Springfield, 80-55, but St. Francis (Pa.) was toppled from the unbeaten after bagging seven straight, 87-78 by Youngstown.

Maryland Wins

In other action Maryland clamped down Duke in an Atlantic Coast Conference test, 64-33, Kent State wrapped up Toledo 58-29 in a Mid-American Conference game, and Oglethorpe dropped a 75-15 blanket on West Georgia.

Texas Christian took over the Southwest Conference leadership with a 2-0 record with a 52-45 victory over Arkansas, and bury Utah, a bunch of 200-pounders plus, nipped Montana 71-69 in Sky-line Conference play.

Spring Hill, 80-73 over Murray (Ky.), and Centenary, a 87-64 upset winner over favored Tennessee Tech, reached the final of the senior Bowl tournament at Mobile and play for the title tonight.

Duquesne Bows

Oklahoma City, 13th ranked in the weekly AP poll, boosted its record to 9-1 by hitting half its shots in a 90-63 trouncing of West Texas State, and injured Terry Bockhorn came off the bench to trigger sputtering Dayton to a 57-47 decision over Duquesne, scoring four points when the Dukes threatened.

Ray Blenker's 20 points led Georgia Tech over Georgia 66-62 in a game that won't count in the Southeastern Conference. Temple and La Salle, a pair that have seen better seasons, swept a doubleheader at the Philadelphia Palestra. Temple toppled Pitt 86-73 and La Salle nipped Bucknell 70-68.

SANTIAGO, Chile (AP) — The luck of the draw put Nationalist China and Russia in different brackets today and solved a touchy problem for the World Basketball Championships starting here Jan. 16.

Reports from both Formosa and Moscow had indicated each would not want to meet the other for political reasons.

The draw at Munich Wednesday put Nationalist China in group A with the United States, Argentina and the United Arab Republic. Russia is in group B with Brazil, Mexico and Canada.

He said contracts are budgeted primarily on home attendance, which was off 338,000 from the 1957 figure. The Sox also were down 365,000 on the road. It is believed that only catcher Sherm

FARRELL MAY KEEP ALTOONA FROM CROWN

By FRED WALTERS

HARRISBURG (AP) — Defending western Pennsylvania PIAA Class A champion Altoona still has Jim Curry.

The 6-foot-4 youngster, now a senior, is expected to spark Altoona to another Dist. 6 championship.

But there's a distinct underdog flavor to Altoona's bid for a second straight western championship. The reason is an old familiar name: Farrell.

The word around Dist. 7 is that the Mercer County school is heading back on top, ready to reclaim the western title—and possibly the state title—for the powerful district better known as the WPIAL.

Farrell Won Exhibition

When Altoona defeated Dist. 7 champ Charleoi in the western final last year it was a big upset in Pennsylvania scholastic basketball circles, something like the Washington Senators coming along to knock off the New York Yankees for the American League pennant. The WPIAL has dominated the west for many years, going back past World War II.

Farrell gave some indication of its strength by beating Altoona 80-40 in an exhibition game some weeks back and has started off its second III league campaign in the WPIAL with a 51-41 victory over Sharon, generally its toughest rival in that section and defending league champion.

A survey of sports writers in the western half of the state as the scramble for league and district honors begins in earnest shows a sentiment for Punxsutawney, Bedford and Erie Strong Vincent to repeat as champions in their respective districts.

MIMS LOSES TO BOYD ON SPLIT

CHICAGO (AP) — Bobby Boyd is far from being the best middleweight around, but he can qualify as the loose scatter-gun fighter.

The best of the Chicago Negro windmilled his way to a split 10-round decision over veteran Holly Mims Wednesday night in a televised bout at Chicago Stadium.

In a way, you felt rather sorry for Mims, ranked No. 7 by the National Boxing Assn. Boyd, who is unranked, fights with the turbulence of a storm cloud.

Boyd licked the Washington, D.C. battler in Chicago Stadium in 1956 when Bobby was at his peak and ranked No. 1. They fought to a draw in Miami Beach a year ago.

Tactics Too Much

The enveloping tactics of the octopus-like Boyd and his willy-nilly punching was too much for Mims, who constantly was forced into the ropes. But Mims landed the best punches.

Under the five-point must system, Judge Harold Marovitz favored Mims 47-46. Judge Jim McManus and Referee Joey White each had Boyd on top 47-44. The Associated Press gave it to Boyd 47-46.

Boyd had a weight pull of 160½ pounds to 155½. The victory left him with a 52-10-3 record. Mims is 45-17-6.

Lollar, outfielder Jim Landis and shortstop Luis Aparicio escaped pay cuts.

SAN FRANCISCO (AP) — The San Francisco Giants paid a \$20 dividend on each unit share of stock following its first season here.

Club treasurer Edgar P. Feeley in New York said Wednesday the dividend was declared Nov. 26 by directors of the National Exposition Co., the corporate owner of the club, and was made payable last Monday.

MARCHETTI IS TOP CHOICE ON ALL-PRO TEAM

By JOE REICHLER
Associated Press Sports Writer

Gino Marchetti, Baltimore's destructive defensive end, led the voting for The Associated Press' 1958 National Football League's all-pro team, dominated by the champion Colts and the New York Giants.

Marchetti, an eight-year veteran from the University of San Francisco, was the only unanimous choice among the 41 writers who covered the NFL campaign this season. The 6-4, 240-pounder was one of six Colts named to the two units, one more than the Giants.

Johnny Unitas, the great quarterback; offensive end Ray Berry; offensive tackle Jim Parker; defensive tackle Gene Lipscomb and fleet halfback Lenny Moore were the other Colts named.

Half Leads Giants

Linebacker Sam Huff led the five Giants named to the all-pro squad. The others were offensive tackle Rosey Brown, center Ray Weiteha, defensive end Andy Robustelli and safetyman Jimmy Patton.

Los Angeles placed three men on offense, guard Duane Putnam, end Del Shofner and halfback Jon Arnett.

Pittsburgh placed two, defensive tackle Ernie Stautner and defensive halfback Jack Butler.

Detroit's Lions also won two places the all-star squad — linebacker Joe Schmidt and defensive halfback Yaie Ary. Cleveland's sole representative was Jimmy Brown, who received all but two of the votes for fullback. Green Bay's honored player was safety Bobby Dillon while middle guard Bill George was the Chicago Bears' man. Offensive guard Dick Stanfel made it for Washington.

Philadelphia, San Francisco and the Chicago Cardinals were not represented.

MELEE MARKS BEAR'S LOSS AT HERSHEY

By THE ASSOCIATED PRESS

No one was killed, or even injured, in Hershey, Pa., Wednesday night when players and spectators fought in the third period of a spirited American Hockey League game.

But it turned out to be sudden death for the Hershey Bears.

A goal by Colin Kilburn after 45 seconds of overtime gave Springfield a 4-3 victory and snuffed out the Bears' chances of gaining ground on the vanquished Buffalo Bisons.

Troopers Needed

The Bisons, league-leaders by four points over Hershey, were blanked by Providence 2-0.

Don Cherry, Springfield defenseman, touched off the player-spectator melee when he leaped across the boards onto the ice before serving the full two minutes for a penalty he incurred. An argument with the timekeeper ensued followed by a free-for-all which was finally halted by Pennsylvania state troopers.

Goalie Harry Lumley of Providence turned back 23 shots to rack up his third shutout of the season. Meanwhile, Ray Ross and Larry Leach found the nets past Marcel Paille as the Bisons escaped from the AHL cellar.

IGY Brought Greatest Physical Checkup Ever On Our Planet Earth

By ALTON BLAKESLEE
Associated Press Science Writer
NEW YORK (AP)—IGY brought the greatest physical checkup in all history.

The patient—our planet earth. For 18 months, scientists probed and poked at the earth with diagnostic instruments ranging from thermometers to orbiting satellites.

They found high altitude titanic winds of 200 to 300 miles an hour, and places where the earth's skin or crust is only 2½ miles thick. They charted great rivers of electricity flowing through earth crust and upper air.

Years To Diagnose
These are but some early results. It may take 25 years or more to make the most significant diagnoses from the hundreds of millions of facts gathered.

IGY—the International Geophysical Year—is formally ended.

But its work continues in most major aspects under the title IGC-59, meaning International Geophysical Cooperation in 1959, to extend man's knowledge of his planet.

A great ocean of air is earth's lung for human life.

Halo At Night
Rockets indicated winds of several hundred miles per hour up where the air is terribly thin and highly electrified.

By night, earth wears a halo of dim light, the airglow, which is mostly pale green. It seems to occur in patches or cells, moving with average speed of 200 miles an hour at a 60-mile height, reports Dr. Franklin E. Roach of the National Bureau of Standards at Boulder, Colo.

Green airglow comes from oxygen atoms, with some yellow glow from sodium atoms. IGY scientists also detected unexpected atoms of lithium—presumably shot up by nuclear tests.

Man-made Aurora
Radiation streaming from the sun, or from particles trapped magnetically above the earth, cause the Northern and Southern Lights, or auroras.

But a man-made aurora was

detected with one Pacific nuclear test. Scientists theorize a blast could alter the earth's magnetic field enough to allow some trapped particles to stream down upon the earth.

Catching a great solar flare in action last Feb. 10-11, many scientists measured its varied, powerful effects upon earth.

Equatorial Electrojet

IGY men confirmed the existence of the equatorial electrojet, a powerful electric current flowing in daylight hours only above the earth's magnetic equator. Similar currents presumably circle both Poles. They offer new insight upon solar effects on magnetic fields.

Aground, seismologists used manmade explosions and the shock signals from natural earthquakes to fill in their understanding of the earth's interior and its crust. Shocks from underground A-bomb tests offered a new tool for doing this.

Seismic soundings detected the thinnest crust of the earth yet discovered under the seas—2½ miles—and also the thickest undersea crust—9 miles deep.

The pull of gravity was measured over 75 per cent of the sea surface, and over vast distances on land—adding up ultimately to a far more accurate picture of the earth's gravity, and from that a better conception of the real shape of the earth.

The moon and the sun, through gravity, cause tides not only on the oceans, but also on the land—actually creating wavy bulges in the earth's crust ranging up to eight to 15 inches. One IGY goal was to learn how much the earth and sea tides may be in phase. IGY is helping to satisfy man's curiosity about his world, and stimulates his curiosity the more. It promises to confer great benefits, not only material, but far beyond.

For as Harvard astronomer Dr. Fred Whipple remarked: "Securing a better concept of what life means in the universe might lead humans to settle their differences."

DENY COUPLE RIGHT TO KEEP LAND FROM PA.

PHILADELPHIA (AP)—Mr. and Mrs. Maurice Hoffman of Parryville, Carbon County, have lost some of their land to the State Highway Department. The department is in a hurry to use the land for a road.

The state supreme court, in a decision per curiam Wednesday, denied the Hoffmans' petition to keep the land.

The petition was based on what the couple said was a similar case in the Pittsburgh area. The Commonwealth disagreed. And the

court agreed with the Commonwealth.

The Pittsburgh Case
The Pittsburgh case involved condemning land owned by J. K. Creasy for road construction. The land was never actually taken by the department, but Creasy went to court with the argument that the state law the department was using was unconstitutional.

The law is the State Highway Act of 1945. The case is now before the U.S. Supreme Court. The Hoffman's attorney, Jack Feinberg of Slatington, argued that the law applied to his clients' case, too.

Different Section
But Assistant State Atty. Gen. J. J. Killmick said a different section of the law applied. He said the Hoffmans would be compensated for loss of their land, whereas the Creasy case involved

condemnation without compensation.

The Hoffmans own land along legislative Route 63 outside Lehigh. The Highways Department says it must complete the road construction project by Dec. 1 or face penalties and loss of federal aid.

COLUMBUS, Ohio (AP)—Gustav Hirsch, 82, a pioneer in the telephone and electronics field, died Tuesday of a heart attack. He founded the Gustav Hirsch Organization in 1908 to engage in telephonic and electronic enterprises and it operates throughout the world.

SANTA BARBARA, Calif. (AP)—Lillian Trimble Broadhurst, about 75, a former Broadway director and widow of playwright George Broadhurst, died Wednesday.

On 99-Year Parole, Held For Robbery

LOS ANGELES (AP)—A man who is wanted in connection with three robberies in eastern Pennsylvania was arraigned in federal court Wednesday on a charge of robbing a savings and loan association.

Clifford P. Redden, 38, of Chester, Pa., told U.S. Commissioner Theodore Hocke that he is on a 99-year parole from Eastern State Penitentiary in Pennsylvania.

Authorities in Pennsylvania have dubbed Redden the "flash bandit." They want him in connection with three recent savings and loan association robberies.

Redden and another man were captured Monday after the Republic Federal Savings and Loan Assn. was held up and \$500 taken

JERUSALEM (AP)—The Holy Land's longest drought in memory ended Tuesday night. The rains, which continued Wednesday, were the first in 11 months.

CAIRO (AP)—East German Premier Otto Grotewohl announced Wednesday that his government and the United Arab Republic have agreed to establish consular relations.

The agreement was only a partial victory for the Communist premier, who had come to Cairo to seek full diplomatic relations between his regime and President Nasser's government. Nasser objected to the Communist presence in the city.

BEIRUT, Lebanon (AP)—President Nasser has carried out in Syria one of the biggest purges of Communists in the Middle East, arresting more than 300 persons. The arrests beginning last Thursday virtually wiped out the Communist organization in the Syrian region of Nasser's United Arab Republic.

BRUSSELS (AP)—Order has been restored in most of Leopoldville after riots that killed at least 35 Africans and severely injured 100 more, reports from the capital of the Belgian Congo said today.

SAY MIKOYAN IS FISHING FOR GERMAN TALKS

WASHINGTON (AP) — The United States has told its main European allies that Soviet Deputy Premier Anastas I. Mikoyan appears to be fishing for a four-power conference on Germany sometime this spring.

But the State Department has cautioned that Mikoyan has put forward nothing new which promises successful negotiation.

The main points of a summary of Mikoyan's confidential talks with Secretary of State Dulles and Vice President Nixon have been given to ambassadors of Britain, France, Italy, and West Germany. These were:

1. The Soviet plan to turn East Berlin over to the East German Red puppet regime by June should not be viewed as a six-month ultimatum. Mikoyan hinted this could be extended.

2. The Soviet Union could be interested in four-power talks this spring on a German peace treaty as well as the future of Berlin. But this was coupled with a reiteration of the Kremlin view that reunification should be left to the East and West Germans to work out for themselves.

3. Veto power for the Soviets is a firm condition to Kremlin acceptance of an East-West organization that would seek to enforce a ban on atomic-hydrogen weapons tests.

4. The Soviet's much ballyhooed campaign for more American trade has played a minor role in Mikoyan's Washington talks. He may make more of this, however, when he returns from sounding out American industrialists on his flying visit to major American cities.

Won't Let "Oscar" Be Grave Marker

HOLLYWOOD (AP)—The Academy of Motion Picture Arts and Sciences has spiked plans to mark showman Mike Todd's Chicago grave with a 9-foot-high Oscar.

"The Oscar is protected by copyright," said a spokesman for the academy. "All who receive it sign a receipt they and their heirs will respect this copyright." He said it could not be used to mark a grave.

Todd's brother, David Goldbogen, had said in Chicago he was planning to erect a two-ton marble statue over the grave. Todd won an Academy Award Oscar for his movie "Around the World in 80 Days." He died in a plane crash last March 21.

Will Offer Master Education Degree

HARRISBURG (AP)—The State Education Council gave permission Wednesday for two more teacher colleges to offer studies leading to a master's degree in education.

The council approved the applications of West Chester and Shippensburg state teacher colleges to offer the courses.

Only two other teacher colleges—Indiana and Edinburg—are authorized to conduct courses for the degree.

Applications also were submitted by California, Clarion, Kutztown and Millersville teacher colleges but the council deferred action.

Asks State Help Pay City Costs

HARRISBURG (AP)—Mayor Nolan Ziegler says the city of Harrisburg will ask the General Assembly to approve a three-point legislative program.

The mayor said Tuesday the city will seek:

Reimbursement from the commonwealth in lieu of taxes for state-owned land exempt from real estate levies.

Compensation for costly electronic traffic control devices the city has constructed in the area of state facilities.

And improved system for integration of city retirement and federal social security plans, as handled through the state labor and industry department.

Ziegler said unsuccessful bills which have sought payment in lieu of taxes in the past have asked for some \$300,000 biennially. "I would be satisfied with a similar amount this session," he said.

Pearl Buck Urges Adoption Speedup

NEW YORK (AP)—Pearl S. Buck, Nobel-prize winning author, opposes outlawing proxy adoption because of the "desperate condition" of Korean children fathered by American servicemen.

Miss Buck said Tuesday these children, abandoned by GI fathers and Korean mothers, were "dying like flies" in Korean orphanages because of delays in arranging for their adoption in this country.

Miss Buck, who won the Nobel Prize for literature in 1938, founded Welcome House, Inc., an adoption agency, 10 years ago, and is well versed in oriental affairs.

She testified as an expert witness before the New York Joint Legislative Committee on matrimonial and family laws.

MERCURY MAY JUMP ALONG EAST COAST

By THE ASSOCIATED PRESS

Higher temperatures and diminishing winds were expected to provide some relief—but not much—today for the Eastern Seaboard, battered by icy gales and chilled by frigid cold since Monday.

Violent winds, with gusts up to 75 m.p.h., put below-zero teeth into the bitter bite of subfreezing weather again Tuesday as they continued to cause widespread damage.

Today, the Weather Bureau in Washington said, winds would diminish to 20 to 30 m.p.h. along the northern portion of the coast, while blowing relatively light in the southern section. Rising temperatures may reach a high of 25 to 30 degrees in some areas.

20 Lose Lives

Numerous fires, spawned in the battle against the cold and fed by the winds, claimed nearly 20 lives Tuesday from West Virginia to New England.

Winds whistled through most of the Northeast at a steady 40 m.p.h. The Weather Bureau said winds of that speed in five-degree temperatures created the effect of 30-below cold in a light wind.

Temperatures sank below zero in points from New York to Maine and were below freezing all the way to northern Florida. The mer-

cury dropped to 63 during the night in Miami.

Two men died of exposure in Baltimore, a man froze to death in Massachusetts, and three deaths were blamed on the weather in Pennsylvania.

Winds Cause Damage

High winds brought down chimneys, trees and power lines, shattered store and house windows, tore off roofs and spilled pedestrians. A powerful gust blew over an empty trailer-tractor on the New Jersey Turnpike, injuring the driver.

Fires burned up hundreds of thousands of dollars worth of commercial buildings as well as taking a heavy toll on human life. The most tragic blaze swept a Syracuse University dormitory, killing seven student airmen and injuring many others.

Three elderly patients and the operator of a nursing home died when the home went up in flames in Martinsburg, W. Va.

GANGS TRYING TO GRAB UNION

WASHINGTON (AP)—The Senate Labor-Management Investigating Committee said Wednesday it is looking into allegations linking the names of some officials of the Newspaper and Mail Deliveries Union in the New York area with gangsters and shake-down deals.

A committee spokesman said the investigation has nothing to

MOTHER GOES HOME WITHOUT NEW-BORNBABY

NEW YORK (AP)—Mrs. Frances Chionchio, 26, is home from the maternity ward—away from the sight of new mothers with crying babies. Her own infant daughter is still missing.

Mrs. Chionchio returned Tuesday to her Brooklyn home from St. Peter's Hospital, where her child was kidnapped from a nursery Friday night, only 2½ hours after birth.

The woman's uncle, Dr. John Mollica, who delivered the baby, said he had planned to discharge her Wednesday or today, but after seeing her Tuesday decided she should leave at once.

"I think she would be better off mentally if she were away from the atmosphere of seeing other new mothers and crying infants," Mollica said.

Mrs. Chionchio has one other daughter, Gerardette, 1. Her husband, Frank, 28, an attorney for the Port of New York Authority, was with her when she left the hospital weeping.

A widespread search continued for a heavy-set blonde, between 30 and 35, believed to be the kidnaper. Police think she is a frustrated mother.

do with the union's recent strike which closed New York City newspapers for weeks.

The statement said it probably will be two or three months before the committee can be ready to hold hearings.

The spokesman said the inquiry stems from complaints that gangsters and racketeers have infiltrated the union, gaining a foothold from which they could engineer shake-down deals.

He said one of those to be interviewed is a man he identified as Irving Bitz, a distributor for the Bronx County News, whose name had been linked with racketeer John (Johnny Dio) Dioguardi.

The state of Florida figures to derive more than \$6 million from horse racing in 1959. That figure has surpassed the last three years.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—Republicans weren't grasping for new or different ideas Tuesday when they bounced their oldtime House leader, Joseph W. Martin of Massachusetts, and replaced him with Charles A. Halleck of Indiana.

They simply substituted a younger man for an older one. Both are conservative. Martin, 74, was Republican House leader 20 years. Halleck, 58, had been his right-hand man for years.

Anyone who thinks the switch marks a change toward less conservative Republican thinking can look at the skin-tight vote by which Martin was defeated and at the remarks of veteran Rep. John Taber of New York.

The vote was 74-70 for Halleck. And Taber, one of the most conservative of all House Republicans, voted for Halleck. Asked if he thought the change would mean a more conservative leadership, he replied: "I hope so."

He said Martin "stands right" but didn't push hard enough. Martin has been a nice, kindly man. Democratic Speaker Sam Rayburn once said of him: "He has a great, fine heart." But the Republicans Tuesday didn't stand on sentiment.

Martin is not only in years

but looks tired. He gives the impression of not having had a new idea in years. For that matter, neither does Halleck.

Anti-New Dealer

Halleck was a vigorous anti-New Dealer, too. But Halleck has a lot more hustle, perhaps because he's younger, and it seems pretty obvious he was chosen Tuesday mainly for that reason.

Martin and Halleck haven't always voted like identical twins. At times the older man looked even less conservative than the younger. For instance, in 1957 Halleck voted to kill federal aid to education; Martin voted for the bill.

President Eisenhower had plugged for a federal aid program—until voting time came—and afterwards he expressed disappointment at the defeat of the bill. But many backers of the measure said it was Eisenhower's own lukewarm attitude that doomed the measure.

Later Eisenhower congratulated Halleck on his victory and thanked Martin for his many years of service.

WASHINGTON (AP)—The Democratic party is going to salute former President Harry S. Truman with a nationwide party fundraising show on his 75th birthday, May 8.

The Democratic National Committee said Tuesday that details haven't been worked out but that Truman had agreed to make his birthday the occasion for the money-raising show. It probably will take the form of a closed circuit telecast over a theater or hotel ballroom network.

MODERN NAVY PLANS FOR ITS LADY GUESTS

NEW YORK (AP)—The big new aircraft carrier Independence has everything—including ladies' powder rooms.

Several of these have been installed about the powerful vessel which is to be commissioned Saturday at the Brooklyn naval shipyard.

This doesn't mean that there are going to be any women manning the Big I, but just that the Navy thinks of everything. The powder rooms are for the comfort of the women who visit the ship whenever it is in port.

The men who'll serve aboard the world's biggest and most powerful aircraft carrier are going to have it pretty nice, too.

Comforts Of Home

There are walls of pastel green and pleasing hues of floor coloring in the sleeping quarters, pullman-type bunks and individual fluorescent lamps for each crew member, air conditioning, television, porcelain washstands instead of the standard stainless steel, and foam rubber mattresses.

The 60,000-ton warship, costing 190 million dollars, has been under construction 3½ years.

From top to bottom she is as tall as a 25-story building and a crew of 3,500 is needed to operate her.

The Big I will carry 100

U. S. Says Stalin Started Cold War

WASHINGTON (AP)—The United States told the Soviet Union and the world Wednesday that Joseph Stalin, not Winston Churchill, started the cold war.

It said the Soviet Union, not the Western powers, wrecked cooperation in Germany at the end of World War II.

In a 53-page booklet on Soviet Premier Nikita Khrushchev's drive to oust the Western powers from Berlin, the United States accused the Soviet government of rewriting and distorting the history of the last quarter of a century in an effort to build a case for the Khrushchev campaign.

The booklet was released by the State Department a few hours after Khrushchev's No. 2 man Dep. Premier Anastas I. Mikoyan, left Washington on a tour of the nation. Mikoyan returns here around Jan. 19 for a meeting with President Eisenhower.

HIKE STEEL PRICES

PITTSBURGH (AP)—Allegheny Ludlum Steel Corp. today hiked the prices on stainless steel bars, wire forgings and forging billets 3½ per cent.

At the same time the steel firm made reductions ranging from 11 to 14 per cent on the prices of certain premium air-melted 10 alloy steels used primarily in missiles.

1ST SATELLITE ON LAUNCHING PAD IN WEST

By RALPH DIGHTON

LOS ANGELES (AP)—A 1,300-pound satellite—the first ever to be launched on the West Coast—is on its pad at Vandenberg Air Force Base.

Some time within the next few days, Project Discoverer will be under way, headed for a Pole-to-Pole orbit.

A dozen or more Discoverer satellites will be launched from the California coast this year, each of them carrying hundreds of pounds of instruments to tell man what he will face when he ventures into space. Some also will carry mice and, later, monkeys.

To Orbit Pole To Pole

The Discoverer satellites will be pointed southward to orbit around the earth from Pole to Pole. The first few are expected to stay aloft for only a matter of hours before they plummet back to burn up in the earth's atmosphere.

Before they do, however, they will eject a capsule containing instruments—and any animal passengers—which can be recovered by Air Force and Navy search crews.

Vandenberg Air Force Base, 170 miles north of Los Angeles, fired a Thor as a training shot last Dec. 16 to test launching and tracking facilities.

QUESTIONMARK RAISED BY GOP SPLIT IN HOUSE

By WILLIAM F. ARBOGAST
WASHINGTON (AP) — A badly split Republican minority under new leadership hung a big question mark over the course of the new House of Representatives convening Wednesday.

The surprise ouster of Joseph W. Martin Jr. of Massachusetts from his 20-year reign as GOP floor leader and his replacement by Charles A. Halleck of Indiana posed some interesting possibilities.

Main subject of speculation was the possible effect Martin's replacement would have on the coalition of Republicans and Southern Democrats that has effectively charted the course of legislation in recent years.

Out For Good Record
Halleck generally has been recognized as the principal go-between that kept the coalition powerful. His elevation to his party's leadership could strengthen the bonds of the coalition that has blocked passage of much legislation generally described as progressive or liberal.

On the other hand, Halleck's political ambitions could leave the coalition without an effective link with the Republican minority. Halleck avowedly has one determination in mind for the coming two years of the 86th Congress: "To see that we run a good Republican record in this Congress."

May Have Eye On 1960
But privately, his friends and some of his enemies say, Halleck wants the 1960 GOP vice presidential nomination on a ticket headed by either Vice President Richard M. Nixon or Gov. Nelson Rockefeller of New York. He could hardly expect it, they add, if he adheres to an encourages the conservative program of the coalition.

Halleck's election hardly could be called the result of a rebellion by liberals. He was nominated by Noah Mason of Illinois and was openly supported by John Taber of New York, two of the most conservative members of the House. Congratulated By Ike
Martin said White House aides,

SIX KILLED IN HEADON CRASH

KENTON, Ohio (AP)—Six Tennessee men were killed Wednesday in the head-on collision of their auto and a gasoline tank truck on U.S. 68, about two miles north of here.

The highway patrol and funeral homes where the bodies were taken said the victims had been identified tentatively as residents of Cleveland, Tenn., and vicinity. The identifications were listed as:

Floyd Clark, 22; Herbert Goings, 41; Richard Kelly, 28; Horace Boyd, 24; Robert D. Lee, 31, and John B. Gibson, 32.

The patrol identified the driver of the tanker as Albert Fohl, 24, of Tiffin, Ohio. He was taken to a hospital for treatment of lacerations.

The truck was traveling south, the auto north. U.S. 68, a two-lane highway, was clear and weather conditions were reported good.

MIKOYAN ON 13-DAY TOUR

CLEVELAND, Ohio (AP) — Anastas I. Mikoyan, No. 2 man of the Kremlin, arrived in Cleveland Wednesday to start a 13-day coast-to-coast tour. He hustled off a plane and down a double line of police. Several hundred picketing nationality groups were blocked back by ropes.

Mikoyan tipped his hat as he got off a Capital Airlines plane about five minutes after it arrived at 10:10 a.m. Then he hurried inside the concourse gates to hold a brief news conference before leaving the airport.

Cyrus Eaton, Cleveland industrialist, but not the President himself, had "a little bit to do" with his defeat.

Halleck said he was "absolutely certain that the White House did not intervene."

Eisenhower congratulated Halleck and thanked Martin for his long service. Asked whether Eisenhower took sides in the election, White House Press Secretary James C. Hagerty said the choice of leaders was "a matter for the House."

MILK, EGGS AND CHICKEN PRICES DROP

HARRISBURG (AP) — Lower prices for wholesale milk, eggs and broiler chickens were cited as the principal cause for a three-point drop in the Pennsylvania Farm Index for the 30-day period ended Dec. 15.

The State Agriculture Department's Pennsylvania Crop Reporting Service said Tuesday that all other groups recorded gains during the period.

The service said the index for all farm products stood at 238 on Dec. 15, eight points under the figure for the same date last year. An index of 100 equals the 1910-14 base price period.

Higher prices were received for corn, wheat, oats, soybeans and apples, boosting the index for all crops four points above the previous month. Corn, at \$1.20 per bushel, averaged five cents above the Nov. 15 level, but except for last month was at its lowest since August 1943.

The higher prices received for beef cattle, cows and calves were more than enough to offset a drop of 40 cents a hundredweight for hogs. Because of this, the meat animal index rose one point above the November level.

COMMIES LASH QUEMOY WITH 12,000 SHELLS

By SPENCER MOOSA

TAIPEI (AP) — The Chinese Communists pounded the Quemoy Islands Wednesday with their heaviest fire in two months.

The Nationalist Defense Ministry reported more than 12,000 Red shells landed on the offshore islands between 2 and 4 p.m. and said the bombardment was continuing without a letup in intensity.

The Ministry said the National-

ist guns fire back vigorously, but the volume of counterfire was not announced.

It was the heaviest Communist firing since Nov. 3 when 39,162 shells were fired during an 18-hour period. And the rate of fire this afternoon virtually equaled the hardest shelling on Nov. 3, some 36,000 shells in 6 hours.

The heavy Communist bombardment was expected. The Reds had charged the Nationalists with shelling a commune nursery on the mainland Saturday and threatened a severe attack in reprisal. The Nationalists denounced the charge as a barefaced lie and said the Communists had made it as a pretext for resuming intensive shelling of Quemoy.

Krupp Purchases Big Steel Mill

BONN, Germany (AP)—Alfried Krupp, the German munitions king of World War II, has bought out a rival concern and emerged as West Germany's leading steel-maker.

Krupp has purchased the Bochumer Verein with a capital of 23 million dollars. He already operates the Rheinhausen steel plant capitalized at 27½ million.

With the two companies going full blast, Krupp interests will now turn out four million tons of steel a year.

Francis Worley Leads List On Opening Day With 21 Bills; Many Were Requested

By FRED B. WALTERS
HARRISBURG (AP)—"Submitted by Francis Worley at the request of a constituent."

One would have thought he was attending a New England town meeting Wednesday from the number of House bills attributed to the Adams County constituency of Republican Rep. Worley.

"I suppose maybe I keep a closer contact, make myself more available than many other legislators," said the eight-term legislator, who follows the rather unique procedure of indicating which of the bills he introduces were prompted by his constituents.

Total Of 21 Bills
"These are bills I've been working on for the past two years," he explained.
"I try to present my constituents' views in every case unless they ask for bills that I personally am against."

Worley offered 21 bills, the majority with the added informal sponsorship of "a constituent," at Wednesday's session of the House. That's more than most legislators will submit in an entire session, Worley said he may have a few more.

Wide Range Of Topics
His proposals roamed over a variety of issues from allowing 18-year-olds to vote to closing the season on skunks in the state's 16 Seventh-Class counties in 1959 and 1960.

The latter proposal was suggested by a fruit-growing constituent in apple-rich Adams County. Worley explained: "The fruit grower wants skunks around to eat the mice that eat the crop."

Thirty-seven bills in all and one

resolution were introduced in the House Wednesday, providing a businesslike finish to a session that had been expected to be a routine day devoted to committee organization. Chairmen of 31 standing committees of the House and the committee members were named:

The First Bill

The first bill was a proposal to extend for two more years the deadline for veterans and their beneficiaries to apply for the World War II bonus. It was sponsored by Reps. Vincent F. Scarselli (D-Phila.) and Clarence D. Bell (R-Delaware).

Rep. H. J. Maxwell (D-Westmoreland) put the horse race betting issue before the House again in a bill proposing that a statewide referendum be held this fall to let the voters decide whether such betting should be made legal in the state.

Three Lancaster County Republicans raised the nonresident wage tax controversy by proposing that all municipalities be prohibited from levying this and similar taxes on nonresidents. The bill (H8) was sponsored by Reps. Norman Wood, Baker Royer and Edwin D. Eshleman. Philadelphia would be exempted from the proposal.

Would Raise Driving Age
The House also was asked to permit the State Liquor Control Board to ignore the restrictions limiting restaurant liquor licenses in residential neighborhoods and where there are existing licensing establishments. Reps. Maurice H. Goldstein (R-Allegheny) and Samuel Floyd (D-Phila.) sponsored the bill (H5).

The House also was asked to approve a bill raising the eligibility for driver's licenses or learner's permits from 16 to 18 (H6) by Reps. Willard F. Agnew Jr. (R-Allegheny) and Goldstein.

Two measures were introduced proposing increases in pay for state police. One, H15, by Delaware County Republicans Bell, Rocco Odirisio and P. J. Murphy, would increase the pay by 10 percent and also increase the size of the force from 1,900 to 2,850. The other, H16, by Rep. William Kovolenko (D-Beaver), provides for a flat \$1,000 a year increase plus a blanket grant of \$5 a day for subsistence to the members of the

Feels Confident Of Destructive Missile

NEW YORK (AP)—Frederick R. Kappel, president of the American Telephone & Telegraph Co., says he is confident a missile to destroy enemy intercontinental ballistic missiles could be developed.

"Our people are certain this job can be done," he told a Chamber of Commerce luncheon meeting Tuesday.

Western Electric, a division of the telephone system, is the prime contractor for Nike Zeus, the only American antimissile missile in the research and development stage.

MOSCOW (AP)—Civilization is moving into the Soviet Union's western arctic regions with growing speed, government census takers reported today.

They gave no population figures on these areas where census taking started early to overcome communication difficulties. An eight-day census of the rest of the Soviet Union will begin next Thursday.

Grotewohl arrived here Wednesday after three days in Cairo, where he visited Nasser for the first time.

force exclusive of clerical help.

On School Buildings
Other bills and resolutions introduced would:

Prohibit the payment of unemployment compensation to persons who are members of subversive organizations (H11) Bell and Odirisio.

Request the Department of Public Instruction and the State Public School Building Authority to attempt to standardize school buildings with an eye to reducing architects' fees and to study all other possible means of reducing school construction costs—Worley.

Referendum On EST
Remove the vehicle code restriction denying driver's licenses to persons who have lost the use of both hands (H13)—Rep. James A. O'Donnell (D-Northampton).
Delete the requirement that public school employees must retire at age 70 (H25)—Worley.
Abolish capital punishment (H19)—Worley.

Call for a statewide referendum on the question of whether Standard Time should be observed in Pennsylvania all year long (H23)—Worley.

Make driver training instruction compulsory in secondary schools (H14)—Bell and Odirisio.

FIREMEN HAD 36 '58 CALLS; LOSS \$53,560

Fire Chief Glenn E. Ohler gave the fire report for 1958 and Treasurer Paul E. Altoff the financial report for the year at the meeting of the Alpha Fire Company No. 1, held on Tuesday evening at the engine house, when the newly elected officers for 1959, also assumed their duties.

The Alpha company had 36 calls for the year and seven calls to pump out wells and cellars. Total loss on the 36 calls amounted to \$53,560. Of this amount, 25 calls were in the local fire zone and amounted to \$32,210 and 11 calls were out of the zone and amounted to \$21,350. There were 12 calls in the borough with a loss of \$24,660; three in Germany township, loss \$800; 10 in Union township, loss \$6,850; three in Mt. Pleasant township, loss \$250; six in Mt. Joy township, loss \$20,000; and two in Carroll County, loss \$1,000.

The company traveled 100 miles on fire calls and was in service for 26½ hours. The pumps worked 10½ hours using 1,400 feet of 2½" hose; 1,300 feet of 1½" hose and 5,350 feet of ¾" hose.

Install Officers
The financial report revealed total receipts for the year in the general fund were \$10,223.28 and total expenses, \$23,777.83, which included the price of the new apparatus purchased. In the benefit fund, total receipts were \$1,125.03 and total expenses were \$497.70. Auditors who checked the financial report were Henry E. Waltman, Walter C. Myers and Clair J. Redding.

The retiring president, Leslie Shinham, conducted the first portion of the meeting which opened with group song, group prayer and the secretary's report by Harry W. Badders. The outgoing president conducted installation ceremonies for the new officers who are as follows: President, Clair J. Redding; vice president, Edward L. Warner; secretary, Harry W. Badders; treasurer, Paul E. Altoff; fire chief, Glenn E. Ohler; truck foreman, Levi Hull; drill captain, Bernard G. Kebil; chief nozzleman, Richard Stuller; pipe foreman, James P. Hahn; trustee for five years, Leslie Shinham; trustee of the relief fund for three years, Henry E. Waltman.

To Get New Siren
Past President Shinham thanked the members for their cooperation during his term of office and President Redding accepted the gavel to conduct the remainder of the meeting. Bernard G. Kebil submitted prices on collision insurance from several companies and after a lengthy discussion, it was decided to table the insurance question until a future date. Walter C. Myers, a committee of one to secure information on tax exemption or refund forms on gas used by the company, submitted this information to the company secretary who will follow up.

Bernard G. Kebil also reported for the trustees concerning the

difficulty being encountered with the fire siren, as far as sound is involved, stating that a visit from one of the officials of the siren company suggested that a larger different type siren be secured, with the resultant stronger power. The company voted to trade in the present siren at the original purchase price, and to purchase a new one.

The cheer committee reported that they had called on eight shut-in members during the holidays to present each with a gift. Fire Chief Glenn E. Ohler reported three calls for the past month, with a fire loss totaling \$150. He also announced the appointment of his assistant chiefs, Monroe G. Morelock and Robert L. Snyder.

The president appointed a Social Finance committee to oversee the social activities of the company and to present a monthly report on these activities, as follows: Jack Rebert, James P. Hahn, Glenn E. Ohler and Paul E. Altoff. Bills were ordered paid, amounting to \$285, and receipts of the evening totaled \$266.57, including a donation of \$50 from the Cambridge Rubber Foundation, Inc., and a donation for services of the company, from Earl Crabbs.

The placing of the gift plaque, received from the Ladies Auxiliary of the company at their Christmas banquet, was referred to the trustees. Bernard Selby, a trustee of the company and also a member of the Safety committee on the borough council, spoke to members in the interests of safety, when driving to a fire, suggesting "less speed and more care" with regard to traffic laws.

The company received a communication from the Senior class of Gettysburg College, which is conducting a survey in cooperation with the Warner Hospital, and the secretary was authorized to complete the accompanying form and return it for the research figures.

Forty-seven were in attendance. Refreshments were served at its conclusion by the Social committee, Clyde Harner, James Hahn and Glenn Ohler.

The firemen will meet again on Tuesday, February 3, at 8 p.m.

JAKARTA (AP)—Floods over vast areas of central Java have driven more than 100,000 persons from their homes in the past 10 days.

No casualties have been reported but preliminary estimates put the damage at nearly \$200,000.

De Gaulle First President Of Fifth French Republic

By DAVID MASON

PARIS (AP)—Gen. Charles de Gaulle today became first president of the Fifth French Republic and France's most powerful chief of state since Emperor Napoleon III was deposed in 1870.

"The first among Frenchmen is henceforth first-ranking man in France," intoned outgoing President Rene Coty.

A 21-gun salute boomed across the Seine as diminutive Gen. Georges Catroux reached up to hang the gold necklace of office around the neck of his towering World War II comrade and commander.

Office Has Power

The brief ceremony in the presidential Elysee Palace marked the end of the largely figurehead role which French presidents had filled under the Fourth Republic. The new constitution De Gaulle rammed through last summer con-

verted the office into one of real power, along the lines of the U.S. presidency.

Coty, the beloved, 76-year-old outgoing chief of state, told his solemn-faced successor:

"The people of France, so divided on the surface, have found around you their profound unity...."

De Gaulle's elevation ended seven months and a week as premier during which he became the undisputed leader of his country, as he had been at the end of World War II.

Quells Rebellion

Air Force Will Fire War Rocket

CAPE CANAVERAL, Fla. (AP)—The Air Force is pushing ahead with plans to fire the Titan, the nation's newest and most powerful war rocket.

The 90-foot intercontinental range ballistic missile gushed fire and smoke Wednesday during a preliminary ground test of the first stage engine. If all went well in the static test, a launching was expected to follow in the near future.

Although the test lasted only seconds, it was learned that the attempt was successful.

terity, saw elected a new National Assembly with a large majority pledged to support him and won the presidency of the new Fifth Republic by an overwhelming vote.

One of his first acts as president is expected to be the naming of Michel Debre, 46-year-old justice minister in his cabinet, to be premier of the new government.

CHEAPER AND BETTER EATING IS FORECAST

By THE ASSOCIATED PRESS
Beef roasts and steaks will make an unaccustomed appearance on some American dinner tables this weekend.

Emergence of the higher-priced cuts on the bargain list may herald better — and cheaper — eating during 1959. Department of Agriculture experts look for more meat supplies this year, perhaps as much as 4 pounds per person. Pork will account for the biggest increase, although pig prices may be a bit higher this month as marketings dwindle seasonally.

Lower prices than a year ago are expected this spring for eggs, broilers, turkeys, citrus fruit and fresh vegetables.

Wholesale Prices Drop

Wholesale prices of food now are below the early 1958 figures, which rose steadily from week to week. The most recent cost of living figure for food (for November) was ahead of the previous year, but it has been declining for several months. Conversely, the cost of living food figure was on the rise a year ago.

Butter and eggs already are cheaper, with widespread reductions of 2 to 4 cents a pound for the former and 2 to 7 cents a dozen for the latter this week.

Top or bottom round roast is the top special in some stores while a wide variety of steak cuts are featured in others. Pork loin, leg of lamb and frying chickens also are marked down.

Outstanding vegetable bargains are fall crop potatoes and collard, kale, mustard and spinach.

Demand was strong for lettuce and onions.

Cucumbers and snap beans are fairly good buys.

President Attends Services Wednesday

WASHINGTON (AP)—President Eisenhower worshipped Wednesday at church services marking the convening of the 86th Congress.

The President was joined in the congregation at the National Presbyterian Church by Cabinet officers, other administration officials, members of Congress and members of the Supreme Court. He was accompanied from the White House by his chief aide, Wilton B. Persons, and press secretary James C. Hagerty.

Prayers were offered for "peace in our time" and for the wisdom to meet and deal with "the large designs of this challenging hour."

Vice President Richard M. Nixon arrived for the service a few minutes before the President. The service was conducted by the Rev. Theophilus M. Taylor, moderator of the General Assembly of the United Presbyterian Church in the U.S.A.

ABC WILL GIVE HOUR ON YOUTH DELINQUENCY

By CHARLES MERCER

NEW YORK (AP)—Innumerable people are forever uttering innumerable words on the subject of juvenile delinquency. But producer Robert Northshield defined the problem from the viewpoint of youths the other day:

"Their problem is that they have 24 hours in a day to fill. And how do you pass a day?"

His observation is the result of six weeks he spent recently in Detroit filming and taping a television report on a successful battle against delinquency there by an organization called Youth Anonymous.

"Youth Anonymous" ABC-TV will present an hour report on "Youth Anonymous" on Monday, Jan. 19, at 7:30 p.m. ABC News chief John Daly will head a group of newsmen who survey the methods being used in Detroit to resist juvenile delinquency.

Northshield explained that Youth Anonymous, headed by an ex-convict, Ernest "Tip" Rumsby, aims to aid the 15 per cent of "hard-core" troubled youngsters who normally cannot be reached by other organizations.

One of the most interesting aspects of producing the report, in Northshield's opinion, was how he and a camera crew won the confidence and respect of three troubled youths in order to record the way they spend a typical day.

Tied To Shock Us

"At first they tried to shock us," Northshield said. "But we laughed at them or ignored them. I grew up in Chicago, and being a tough kid in Detroit doesn't impress me at all."

"Basically the kids were trying to make the simplest things complex simply to kill time. That is their problem — killing time."

The ABC report also covers a court hearing, a meeting of Youth Anonymous, and a trip with Rumsby through the scenes of his own sium youth and early crimes.

Rescue Workman Trapped In Cesspool For 12 Hours

BAKERSFIELD, Calif. (AP)—A workman trapped for more than 12 hours at the bottom of a collapsed cesspool was rescued today.

A heavy crane finally jerked loose a metal casing pinning Leslie O. Stafford's foot at the bottom of the 24-foot hole and he pulled himself free.

Stafford, who up until then had spent eight agonizing hours trying to free himself, was rushed to a hospital. His rescuers said he appeared to be in excellent condition.

Couldn't Help Him

Because of the close quarters and the danger of shifting sand, no one could reach Stafford's foot. He had to do the work of freeing his foot alone.

He banged away with a chisel, broke blade after blade on a power saw, and tried unsuccessfully to move the casing with a powerful jack.

Finally a crane was backed in to position and a hook lowered. Stafford fastened the hook to the metal and the crane hoisted it far enough for him to pull his foot out.

A doctor had been lowered into the shaft to give him sedatives, and he had been fed hot soup.

As the 40-year-old workman rode to the surface on a bucket seat hauled by the crane a mighty cheer went up from the rescue workers and spectators.

Buried Four Hours

Metal tubes had been sunk in the hole, in the sandy soil, as a protection to Stafford as he dug. One tube slipped down on his foot. Stafford had survived an incredible four hours of being buried by

sand when the walls of the hole caved in around him.

Workmen were able to reach a gloved hand. The coroner was called and lowered into the hole. The hand twitched. Workmen went at the pile again. They discovered one metal tube, same as the one pinning Stafford's foot, had fallen across the hole above Stafford's head, giving him breathing space.

The rescuers dug deeper until Stafford's head was uncovered. Stafford, a husky man, was not only alive, but conscious.

"Give me some water," he asked. "Then give me a steak and I'll help you dig me out."

A crowd of about 2,500 was attracted to the scene.

Above, watching intently, was his wife. Only prayers interrupted her weeping.

"Please God," she prayed. "Get him out."

MOTHER FILES PLEA IN DEATH

LOCK HAVEN (AP)—A teenage-aged mother, charged with murder in the Christmas day death of her 10-month-old son, entered a plea of innocent at a hearing Wednesday before Alderman John P. Wynn.

Mrs. Carol Anne Young, 19 Lock Haven, was ordered held in Clinton County jail pending action of the Grand Jury.

Her son suffered what physicians described as a skull fracture last August. After being discharged the child was ordered to be put in the care of a physician.

Coroner Roy C. Bryerton said the woman failed to have the child treated by a physician and told police she took the infant to a faith healer who charged her 50 cents a visit.

Christmas night the child became ill and was pronounced dead on arrival at Lock Haven Hospital.

Bryerton said the woman signed a written statement for police in which she admitted injuring the child through a bump on the head.

Dismissed From \$9,923 Pa. Post

HARRISBURG (AP)—Robert T. Stoner, Shiremanstown, was dismissed from a \$9,923-a-year post as director of vocational education Wednesday by the State Public Instruction Department.

The department said the reason for Stoner's removal was brought about by a consolidation of his post with the directors post of the Bureau of Curriculum Administration.

The bureau directorship is now held by Dr. Robert A. Mellman, who receives the same annual salary as Stoner.

Stoner, the brother of Rep. Clarence G. Stoner (R-Cumberland), has been with the public instruction department since 1941.

Offers Subsidy To Keep Railroad

WASHINGTON (AP)—A manufacturer has offered to pay a subsidy to the Pennsylvania-Reading Seashore Lines to keep a 16-mile rail line between Newfield and Mays Landing, N. J., open.

The Interstate Commerce Commission Tuesday authorized the railroad to abandon the line. However it said it would consider the offer of an annual \$5,000 subsidy by a toy manufacturer at Mizpah to keep the line open if the manufacturer would submit his proposal formally.

Emergency Special Sessions Of Legislature Are Recalled

By BOB HOLTON
HARRISBURG (AP)—There's no question about it—members of the 143rd General Assembly which opened here this week have a rough road to travel in the months ahead.

But at least they won't be asked for funds to push back "invaders committing depredations" in western Pennsylvania.

Nor will they likely be called upon to finance defense of "the port and river Delaware."

As complicated and important as it is, the present session is not a special or emergency session in legal terminology. It is a regular biennial meeting of the lawmakers.

To Repel Invaders
It was during the special sessions of the General Assembly that the lawmakers were recalled for such tasks as invader repelling and harbor safeguarding.

Gov. Thomas Mifflin called the first of 24 special sessions since 1791 to finance "repelling of depredations of the western frontier of the state."

Two years later the same governor called the boys back to Philadelphia for a special powwow on how to get up money for the defense of the Delaware River and port.

Fever Brought Call
In 1794 Mifflin again called the

General Assembly into special session to see what it could do about "deriving means to maintain peace and dignity in the Commonwealth."

Three years after that, Mifflin asked for legislative aid in making sure Pennsylvania could comply with a national request for 10,000 militiamen and help the health office fight against a "malignant fever."

It wasn't until the special session of 1840, called by Gov. David Rittenhouse Porter, that emergency fund raising was the actual reason given for the session.

Porter said the meeting was "for consideration of certain financial matters of the Commonwealth."

Before Civil War
In 1857 a special session was called to bring "financial relief under circumstances threatening the credit of the Commonwealth."

Then the Civil War began to take deadly shape and Gov. Andrew C. Curtin called a special meeting to "adopt such measures as seem best with the appearance of the rebellion." That was in 1861.

When the depression of the early 30s hit several governors called special sessions of the General Assembly to appropriate additional relief money.

ANDREWS ASKS FOR BILLS FOR HOUSE ACTION

HARRISBURG (AP)—House Speaker H. G. Andrews today called on Gov.-elect Lawrence to trot out emergency legislation as soon as he takes office Jan. 20 or face the prospect of an immediate legislative recess.

He said there was no point in convening the Legislature week after week if there are no bills to act upon.

"We had 37 bills introduced in the House Wednesday," he said. "In this list of bills, there isn't a single item that calls for immediate action."

Reports Of Urgent Matters
The veteran Democratic lawmaker said there have been reports that some deficiency appropriations require action almost immediately after the Legislature convenes for Lawrence's inauguration Jan. 20. These include occupational disease benefits and state-owned hospitals.

"I have not been so notified by the incoming administration," he said. "If that is so, then, of course, the needs of the Commonwealth must be met."

Andrews added, however, that he presumed Gov. Leader would have called a special session last year if there had been some insurmountable financial problem.

The House adjourned Wednesday until Jan. 19 after naming committees and accepting the

agency nature were called in the last 30 years to deal with criminal and other charges leveled against state office holders and lawmakers.

One of the last special sessions was the one called by Gov. Edward Martin to establish authority for state laws to regulate war activities such as purchasing air raid warning devices and other Civil Defense material.

Martin called the last special session in 1944 to allow absentee ballots to be cast in Pennsylvania elections by servicemen away from their homes.

first batch of bills. House Bill No. 1 turned out to be a proposal to extend for two more years the expired Dec. 31 deadline for filing applications for a bonus by World War II veterans. Some 50,000 veterans have still to seek this bonus first authorized 10 years ago.

The recess for next week was forced, as in other years, by the State Farm Show which attracts thousands of visitors to Harrisburg and hotel accommodations become a premium.

The introduction of bills in the House Wednesday was virtually a precedent. In past years, both branches gave themselves a breathing spell of a week or so to name committees and accept bills.

The Senate, however, put off introduction of bills until at least Jan. 20.

Hank Aaron has hit above .320 the last three seasons for the National League champion Milwaukee Braves.

UNIVERSITY PARK, Pa. (AP)—State officials meet at Pennsylvania State University today to try to find a reason for recent trout kills at the nearby Benner Spring Hatchery.

Dr. Eric A. Walker, university president, has invited William Oigt Jr., executive director of the State Fish Commission, and Walter A. Lyon, chief of the State Health Department's Sanitary Engineering Division, to use the research services of the university in the probe.

STOP FREEZING
this heat goes anywhere

Just flip the switch on Knipco's "Super-70" portable heater and you get enough forced heat to warm a shed, workshop, or "spot heat" an outside area. You keep warm on the coldest winter days. Weighs only 45 lbs. so you can carry it anywhere; runs on kerosene or No. 1 fuel oil; plugs in any 115 volt AC outlet. No vent needed. The larger F125, on wheels, works just as easy but puts out more heat. Stop in soon for a demonstration.

ANNOUNCEMENTS

Card of Thanks 2
WEDDLE: In loving memory of our dear mother, Mrs. Maude M. Weddle, who passed away one year ago on January 5, 1958. Deep in our hearts lies a picture of a mother who has gone to rest, but you will always be remembered. By the ones who loved you best. Mother, your memory is a keep-sake. With which we will never part. Though God has you in His keeping. You will always be in our hearts. Sadly missed by

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — American labor leaders and Anastas I. Mikoyan had lunch and a hot discussion.

But the Soviet deputy premier didn't reveal any secrets while he was the guest of the unionists.

They later gave their account of what happened in a memorandum prepared as a record of the conversation.

One notable stay-away was AFL-CIO President George Meany. But James B. Carey, a long-time fighter against Communists in American unions, was there. He said he thought a frank talk with Mikoyan might have done some good, couldn't do harm.

Others Present

Besides Carey, president of the International Union of Electrical Workers, others present included Walter Reuther, president of the United Auto Workers, and Joseph A. Beirne, president of the Communications Workers of America.

Carey, Reuther and Beirne are also vice presidents of the AFL-CIO.

In part, this was the account of what happened:

Carey blamed the Soviets for trying after the war to dominate the World Federation of Trade Unions, when American unionists got fed up and walked out.

Mikoyan admitted the Soviet trade union movement had made a mistake but said the Americans had, too, in that post-war period. And he added: Two neighbors who

had made a mistake shouldn't let a mistake dominate their future.

Criticize Propaganda

Reuther criticized the Soviet propaganda line that pictures American workers as wage slaves. Carey went into detail on the evolutionary improvements in the American labor movement since Mikoyan was here in 1936.

Mikoyan said Reuther was wrong, that the Soviets recognized the wealth and high standard of living of the American Workers and constantly used this as an incentive and example to the Soviet workers to improve their production.

The labor leaders not only supported this country's foreign policy but said the average American worker did, too.

Cites Hungarian Slaughter

Beirne chimed in: He said it was impossible to develop faith and trust in Soviet talk about the self-determination of peoples after what the Soviets did to the workers of Hungary.

And Beirne asked: Would the Soviet Union guarantee absolute freedom of movement to any trade union delegation visiting that country? Would such a delegation be permitted to visit prisons and labor camps and talk to workers on the job at home?

Mikoyan denied there were labor camps; guaranteed that an American trade union delegation visiting the Soviet Union would have complete freedom, including freedom to visit prisons; and refused to discuss Hungary on the ground it would take too long.

Cites Red Crises

But when the unionists criticized Soviet policy — particularly they accused the Kremlin of stimulating crises around the world — Mikoyan said the Americans were prejudiced and didn't know the facts of Soviet policy.

The unionists attacked Soviet

policy on Berlin, which the Soviets want left defenseless in the middle of Communist East Germany — but Mikoyan responded with this proposal:

That Berlin be made a free city — with free access to it from East and West — and its freedom guaranteed by an international commission, with all countries removing their troops. This has been pretty much the Soviet line.

United Germany

Reuther argued, as the State Department does, that Berlin is part and parcel of Germany and that the two Germanys should be reunited in free elections, which is what the Soviets don't want.

So, while no problems were solved, the memorandum said the most important result of the luncheon was to show the unity of American trade unionists on Berlin and a unified Germany.
